

**ALLEY SNOW PLOWING: 2023** 

Dear Breda, Wynne, and Hamline Alley Neighbors,  
Winter will come... (personally, I'm ready to have temps out of the 90s.)  
Once again, Dave, XXXX's brother, is happy to plow our alley.  
The total cost will be **\$420** for the winter, he will plow whenever there is more than 2 inches of snow, and he promises plowing within 24 hours.

We counted **21 homes** whose driveways open out into the alley so therefore would benefit from the plowing - and should contribute. **The contribution will be \$20 per house (building/lot).**

**Please write checks to XXXX who will collate the money for her brother. Once again, we'll do contactless collection - see the attached envelope ready for your check. Just pop it in, put it out for the mail carrier, and it will magically appear at my house. For the few of you without checking accounts, please call, text, or email to arrange getting cash to me. Please pay by November 1.**

Dave will do any plowing needed even before we get the money to him... what a great person!

I hope this meets with everyone's approval.

Jane (13XX Breda)
