INSTRUCTIONS

In Minnesota, governmental entities must annually obtain from their brokers certain representations regarding future investments. Minnesota Statutes § 118A.04, subd. 9 requires government entities to provide each broker with information regarding the government entity's investment restrictions. Prior to conducting any business with or for the government entity, the broker must acknowledge these investment restrictions and agree to conduct investment transactions in accordance with them. The state auditor has promulgated this uniform notification form to assist government entities in complying with this law.

"Broker" as used in this form is a broker-dealer, broker, or agent of a government entity, who transfers, purchases, sells, or obtains securities for, or on behalf of, a government entity.

Send this form to each broker with whom you conduct business annually. Follow these steps:

1. Fill in the information requested in Section I that is known to you.
2. Fill in Sections II and III (if applicable) and attach copies of your investment policy and any government board resolutions that restrict your investments.
3. Send the form to your broker with instructions to fill in any blanks, sign and return to you.
4. Keep a copy of the form in your files.

Note: *Should you change your investment policy or should your governing body adopt any resolutions affecting future investments, your broker should be notified of the change. To avoid confusion, your broker should receive written notification, and copies of such correspondence should be kept on file with this form.*
