The parties further acknowledge that an employee's work week is directly related to the application of other terms of the Labor Agreement and that the

ARTICLE 2 –DEFINITIONS (Continued)

Labor Agreement may not address the application of such terms if a suppression employee is assigned to a 40-hour week. - 3.4 In the event the Employer and the Union are unable to agree as to the inclusion or exclusion of a new or modified job position, the issue shall be submitted to the Bureau of Mediation Services for determination.

- 4.2 The Union may designate Employees from the bargaining unit to act as stewards and shall inform the Employer in writing of such choice.
- 4.3 The Employer shall make space available on bulletin boards for posting Union notice(s) and announcement(s).

ARTICLE 4 – SECURITY (Continued)

- 4.4 The Union agrees to indemnify and hold the Employer harmless against any and all claims, suits, orders or judgments brought or issued against the city as a result of any action taken or not taken by the city under the provisions of this article.

ARTICLE 5 – EMPLOYER AUTHORITY

- 5.1 The Union recognizes the right of the Employer to operate and manage its affairs in all respects in accordance with applicable laws and regulations of appropriate authorities. The rights and authority which the Employer has not officially abridged, delegated or modified by this Agreement are retained by the Employer.

ARTICLE 6 – EMPLOYEE RIGHTS - GRIEVANCE PROCEDURE

6.1 Definition of Grievance

A grievance is defined as a dispute or disagreement as to the interpretation or application of the specific terms and conditions of this Agreement. It is specifically understood that any matters governed by civil service rules or statutory provisions shall not be considered grievances and subject to the grievance procedure hereinafter set forth. Disciplinary actions may be appealed to either the Civil Service Commission or to an arbitrator. In the case of disciplinary action, employees pursuing an appeal to the Civil Service Commission have five (5) working days from the date of notice to file a written request for a hearing.

Nothing in this Article precludes employees from pursuing whatever recourse they may have under the terms of the Veterans Preference Act. Pursuant to Minn. Stat. §197.46, a veteran separated from employment has thirty (30) calendar days to request a hearing over the reasonableness of the EMPLOYER'S action.

An employee instituting any action, proceeding or complaint in a federal or state court of law, or before an administrative tribunal, the Saint Paul Civil Service Commission, federal agency, state agency, or seeking relief through any statutory process for which relief may be granted, the subject matter of which may constitute a grievance under this agreement, shall immediately thereupon waive any and all rights to pursue a grievance under this Article. Upon instituting a proceeding in another form as outlined herein, the employee shall waive his/her right to initiate a grievance to this Article, or if the grievance is pending in the grievance procedure, the right to pursue it further shall be immediately waived.

6.2 Union Representatives

The Employer will recognize Employee Representatives designated by the Union as the grievance representatives of the bargaining unit having the duties and responsibilities established by this Article. The Union shall notify the Employer in writing of the names of such Union Representatives and of their successors when so designated. The Employer shall notify the Union in writing of the name or names of the Employer's grievance representatives and of their successors when so designated.

ARTICLE 6 – EMPLOYEE RIGHTS - GRIEVANCE PROCEDURE (Continued)

6.3 Processing of Grievances

It is recognized and accepted by the Union and the Employer that the processing of grievances as hereinafter provided is limited by the job duties and responsibilities of the Employees and shall therefore be accomplished during normal working hours only when consistent with such Employee duties and responsibilities. The aggrieved Employee and the Union shall be allowed a reasonable amount of time without loss of pay when a grievance is investigated and presented to the Employer during normal working hours provided the Employee and the Union have notified and received the approval of the designated supervisor who has determined that such absence is reasonable and would not be detrimental to the work programs of the Employer.

6.4 Procedure

Grievances, as defined by Section 6.1, shall be resolved in conformance with the following procedure:

Step 1 An Employee claiming a violation concerning the interpretation or application of this Agreement shall within twenty-one (21) calendar days after such alleged violation has occurred present such grievance in writing to the Saint Paul Fire Chief. The Fire Chief or designated representative will discuss and give an answer in writing to such Step 1 grievance within ten (10) calendar days after receipt.

A grievance not resolved in Step 1 and appealed to Step 2 shall be placed in writing by the Union setting forth the nature of the grievance, the facts on which it is based, the provision or provisions of the Agreement allegedly violated, the remedy requested, and shall be appealed to Step 2 within ten (10) calendar days after the Fire Chief or designated representative's final answer in Step 1. Any grievance not appealed in writing to Step 2 by the Union within ten (10) calendar days shall be considered waived.

Step 2 If appealed, the written grievance shall be presented to and discussed with the Employer-designated Step 2 Labor Relations representative. The Employer-designated Labor Relations representative shall give the Union the Employer's Step 2 answer in writing within ten (10) calendar days after the receipt of such Step 2 grievance. A grievance not resolved in Step 2 may be appealed to Step 3 by the Union within ten (10) calendar days following the Employer designated representative's final Step 2 answer. Any grievance not appealed in writing to Step 3 by the Union within ten (10) calendar days shall be considered waived.

Optional Mediation Step

1. If the grievance has not been satisfactorily resolved at Step 2, either the Union or the Employer may, within ten (10) calendar days, request mediation. If the parties agree that the grievance is suitable for mediation, the parties shall submit a joint request to the Minnesota Bureau of Mediation Services for the assignment of a mediator. Grievance mediation shall be completed within thirty (30) days of the assignment.

ARTICLE 6 – EMPLOYEE RIGHTS - GRIEVANCE PROCEDURE (Continued)

2. Grievance mediation is an optional and voluntary part of the grievance resolution process. It is a supplement to, not a substitute for, grievance arbitration. When grievance mediation is invoked, the contractual time limit for moving the grievance to arbitration shall be delayed for the period of mediation.
3. The grievance mediation process shall be informal. Rules of evidence shall not apply, and no record shall be made of the proceeding. Both sides shall be provided ample opportunity to present the evidence and argument to support their case. The mediator may meet with the parties in joint session or in separate caucuses.
4. At the request of both parties, the mediator may issue an oral recommendation for settlement. Either party may request that the mediator assess how an arbitrator might rule in this case.
5. The grievant shall be present at the grievance mediation proceeding. If the grievance is resolved, the grievant shall sign a statement agreeing to accept the outcome. Unless the parties agree otherwise, the outcome shall not be precedential.
6. If the grievance is not resolved and is subsequently moved to arbitration, such proceeding shall be de novo. Nothing said or done by the parties or the mediator during grievance mediation with respect to their positions concerning resolution or offers of settlement may be used or referred to during arbitration.

Step 3 A grievance unresolved in Step 2 and appealed to Step 3 shall be submitted to arbitration by the Union subject to the provisions of the Public Employment Labor Relations Act of 1971 as amended. The selection of an arbitrator shall be made in accordance with the “Rules Governing the Arbitration of Grievances” as established by the Bureau of Mediation Services.

The Union shall have thirty (30) calendar days from the time it provides notice of its intent to pursue arbitration to request a list of arbitrators from the Bureau of Mediation Services. Failure to request the list within 30 days of the notice shall result in the grievance being considered waived.

6.5 Arbitrator’s Authority

- A. The arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the terms and conditions of the Agreement. The arbitrator shall consider and decide only the specific issue(s) submitted in writing by the Employer and the Union, and shall have no authority to make a decision on any other issue not so submitted.
- B. The arbitrator shall be without power to make decisions contrary to or inconsistent with or modifying or varying in any way the application of laws, rules, or regulations having the force and effect of law. The arbitrator’s decision shall be submitted in writing within thirty (30) days following close of the hearing or the submission of briefs by the parties, whichever is later, unless the parties agree to an extension. The decision shall be based solely on the arbitrator’s interpretation or application of the express terms of the Agreement and to the facts of the grievance presented.

ARTICLE 6 – EMPLOYEE RIGHTS - GRIEVANCE PROCEDURE (Continued)

- C. The fees and expenses for the arbitrator’s services and proceedings shall be borne equally by the Employer and the Union provided that each party shall be responsible for compensating its own representatives and witnesses. If either party desires a verbatim record of the proceedings, it may cause such a record to be made, providing it pays for the record. If both parties desire a verbatim record of the proceedings, the cost shall be shared equally.

6.6 Waiver

If a grievance is not presented within the time limits set forth above, it shall be considered “waived”. If a grievance is not appealed to the next step within the specified time limit or any agreed extension thereof, it shall be considered settled on the basis of the Employer’s last answer. If the Employer does not answer a grievance or an appeal thereof within the specified time limits, the Union may elect to treat the grievance as denied at the step and immediately appeal the grievance to the next step. The time limit in each step may be extended by mutual written agreement of the Employer and the Union in each step.

ARTICLE 7 – SAVINGS CLAUSE

- 7.1 In the event any provision of this Agreement shall be held to be contrary to law by a court of competent jurisdiction from whose final judgment or decree no appeal has been taken within the time provided, such provisions shall be voided. All other provisions shall continue in full force and effect. The voided provisions may be renegotiated at the request of either party.

ARTICLE 8 – POSITION OPENINGS

- 8.1 To expedite the filling of vacancies for the sworn positions under civil service procedures, the head of the department or designated representative will:
 - 8.1 (1) Make requisition for certification of eligibles to fill a vacancy within fifteen (15) days after determining that a vacancy exists.
 - 8.1 (2) Within fifteen (15) days after the department head has met with the certified eligibles, he will fill a vacancy.
 - 8.1 (3) If no eligibility list is in effect when a vacancy occurs, the department head shall within fifteen (15) days request the appropriate civil service officials to conduct an examination for the purposes of establishing an eligibility list.

ARTICLE 9 – WORKING OUT OF CLASSIFICATION

- 9.1 Any Employee required by the Employer to perform the work duties and accept the responsibilities of a higher class, will receive the rate of pay for that class for the entire tour of duty, provided that the Employee performs these duties for at least five (5) hours of the tour of duty. It is understood that the higher rate shall not apply when an Employee works in the higher class for less than five (5) hours of the tour of duty. This section shall also apply to premiums for: employees who are detailed from their assigned position to a position that qualifies for premium pay; and to pool personnel who possess

ARTICLE 9 – WORKING OUT OF CLASSIFICATION (Continued)

specialized skills for which premiums are payable and are detailed to a company which utilizes such special skills. However, paramedics who are detailed to a Medic Company shall be eligible to receive the premium specified in Section 31.2 if they are detailed as a Paramedic for four (4) or more hours during any tour of duty.

- 9.2 The Employer has a general management right to detail an employee from his/her assigned position to another position within his/her job classification or to any other classification within the Department. In exercising its discretion, the Employer will reasonably consider the legitimate operational needs and efficiencies of the Department and available staffing options when detailing employees from their bid position.
- 9.3 Effective **January 1, 2023**, if an employee is required to work in multiple positions of a higher class during one shift and qualifies for out of classification pay under section 9.1, the employee will receive the higher of the two out of classification pay rates for the entirety of the shift.

ARTICLE 10 – SENIORITY

10.1 Seniority

For the purposes of this Agreement seniority shall be defined as provided in Section 2.8. The Union recognizes management's unfettered right to select and appoint people to titles represented by this bargaining unit.

10.2 Seniority Lists

The department shall maintain at all times during this Agreement seniority lists by department.

10.3 Loss of Seniority

An Employee will lose acquired *Classification Seniority and Sworn Bidding Seniority* in the following instances:

10.3 (1) Resignation

10.3 (2) Discharge

10.3 (3) Retirement

10.4 Work Force Reduction

Whenever it becomes necessary due to lack of work or funds to reduce the size of the work force in any class of positions covered by this Agreement, the Fire Chief shall designate the number of positions from each class which shall be eliminated. The employee(s) to be laid off shall be determined by inverse classification seniority. All temporary and provisional appointees in that class shall in all cases be laid off first. However, in the event of a layoff that results in sworn employees no longer serving in a job classification covered by this Agreement, all employees holding the title of Emergency Medical Technician (EMT) shall be laid off before any employees are laid off from any other class of positions covered by this Agreement. For the purpose of this subsection, persons appointed to the same class on the same date shall be considered to have seniority in the order on which they appeared on the certification. When the number of employees in a class above Firefighter is to be reduced, affected employees in such higher classes who have held lower sworn titles within this bargaining unit shall be entitled to a reduction to the highest of these sworn titles to which classification seniority

ARTICLE 10 – SENIORITY (Continued)

in such lower title (which includes time served in a higher title) would keep them from being laid off. No employee who is laid off from a sworn classification may reduce to the classification of EMT.

- 10.4 (1) In the event of a work force reduction in the department that affects members of the Fire Supervisory Association, Local 3939, and when such affected employees have held lower titles within this bargaining unit, such employees shall be offered reductions to the highest of these titles to which classification seniority would keep them from being laid off.

Except as expressly provided herein, Civil Service Rule 22 (entitled “Layoff”) and Civil Service Rule 23 (entitled “Reinstatement”) shall continue to apply with regard to employees impacted by the application of this Section 10.4.

Notwithstanding the foregoing, Sworn Bidding Seniority shall continue to be used for the purposes of bidding for positions and vacations within sworn job classifications. Classification Seniority shall be used for the purposes of bidding for vacations within the non-sworn classifications.

10.5 **Reduction in Rank**

Reduction in rank shall be in accordance with the Civil Service Rules as of June 30, 1973. (Except as indicated below)

- 10.5 (1) Reduction in rank for periods up to but no more than thirty (30) consecutive calendar days will be by platoon seniority.
- 10.5 (2) Reduction in rank for more than thirty (30) consecutive calendar days shall be in accordance with the Personnel Rules as of June 30, 1973.
- 10.5 (3) There will be a minimum of 3.6 regular Fire Captains appointed for each engine, squad and ladder company.
- 10.5 (4) There will be a minimum of 3.6 regular Fire Equipment Operators appointed for each engine, squad and ladder company.
- 10.5 (5) When promotion positions (Fire Captain - Fire Equipment Operator) fall below minimum requirements (3.6 per position), the Chief of the Fire Department will use existing eligibility lists to fill vacancies within 15 calendar days.
- 10.5 (6) **Short Term Demotion:**
1. The employee demoted goes to the last rank held and is assigned to the pool.
 2. Vacation selections will not be affected by short term demotion (i.e., Fire Captain demoted for short term to Firefighter will retain his vacation selection in the Fire Captain rank.)
 3. Employees who have attained the rank of Fire Equipment Operator (FEO) or Fire Captain as designated in articles 10.5 (3) and 10.5 (4) will retain

ARTICLE 10 – SENIORITY (Continued)

such rank and pay when temporarily re-assigned to duties in a previously held lower title.

- 10.5 (7) All promoted personnel will be designated a platoon regardless of assignment. Such platoon assignment will determine their seniority to be followed in cases of reduction in accordance with Section 10.5 (1).

10.6 Job Transfer by Bid System

The Employer and the Union recognize the principle of seniority. In the event of a job opening due to the promotion, transfer, demotion, retirement, assignment to Special Duty for more than nine (9) months (unless otherwise agreed by Chief and Local 21) or demise of an employee, which the employer determines should be filled by a lateral transfer, such transfer shall be made in accordance with the following provisions. Only Sworn Employees with a minimum of two (2) calendar years' service with the St. Paul Fire Department as a Sworn Employee may bid under this section. Effective **January 1, 2015**, only Sworn Employees with a minimum of three (3) calendar years of service with the St. Paul Fire Department as a Sworn Employee may bid on Medic/Rescue Squad positions, and only Sworn Employees with a minimum of four (4) calendar years of service may bid on other positions. Those eligible to bid prior to January 1, 2015 will retain their right to bid.

- 10.6 (1) All positions to be filled by lateral transfer shall be announced by bulletin, which shall be posted for a period of thirty (30) days prior to the date service is to commence in the vacant position. Such positions shall be considered open for written bid for the thirty (30) day period.
- 10.6 (2) For the convenience of the employer, an employee may be detailed to a vacant position during the thirty (30) day period for which the position is open for bid. Any such detail, however, shall not be of a duration in excess of two (2) days beyond the expiration of the thirty (30) day bid period.
- 10.6 (3) Employees who desire bulletined positions shall file written applications therefore not later than 2400 hours on the date of expiration of the bid period. Such applications shall be filed by delivery to the employee's Union officer of the original and one copy of the application, both of which shall be time stamped when received. The Union officer shall be responsible for delivering the original application to the employer and all such applications shall be so delivered not later than 1630 hours on the day following the close of the bid period.
- 10.6 (4) Assignment to positions for which bids have been received shall be made not later than the second day following the close of the bid period.
- 10.6 (5) In the event one or more employees submit bids for the same position, the position shall be filled in accord with the following:
- a) Except in those cases contemplated by subparagraph (b), below, the bidding employee with the greatest Sworn Bidding Seniority shall be assigned to fill the position. Provided, however, that in the event that the employer determines that assignment of the most senior applicant or less senior applicant(s) is not in the best interest of the Department, another employee may be assigned to fill the position. In every such case,

ARTICLE 10 – SENIORITY (Continued)

- however, the employer shall provide to the most senior bidder and any other unsuccessful less senior bidder(s) a written statement of the reasons and factual basis on which the decision not to assign him to fill the position was based.
- b) In cases where the position to be filled by lateral transfer is such that a paramedic who bid therefore would, if assigned to fill the position, be enabled to make use of his paramedic skills and training, the employer may assign the paramedic with the most Sworn Bidding Seniority who bid to fill the position without regard to the seniority of other applicants.
- 10.6 (6) In the event no bid is received for a posted position, the employer may offer the position to any employee or assign the most junior employee on the seniority roster to fill the position, or relist on subsequent bulletin.
- 10.6 (7) When an employee bids for and is assigned to a bulletined position and in the event the employer determines that the employee's former position is to be filled by lateral transfer, the employee's former position shall be filled in accordance with the terms set forth above.
- 10.6 (8) Employees who have bid for and been awarded a bulletined position shall not be permitted to bid for the vacancy created by their transfer until that vacancy has been filled at least once in the manner set forth herein.
- 10.6 (9) Assignment to positions on the rescue squads shall be made in the following manner:
- a) When a vacancy for Captain occurs, the position shall be posted with the other normal vacancies. The Employer shall fill the position with any Captain that has bid for the position without regard to seniority.
- b) When a vacancy for Fire Equipment Operator occurs, the normal bid procedure shall be used. The Employer shall fill the position with any Fire Equipment Operator that has bid for the position without regard to seniority.
- c) Three Firefighter positions will be assigned on each rescue squad. Two Firefighters assigned to one of these positions shall be designated to remain for a maximum of five years. The third Firefighter shall not be subject to the five (5)-year limit. The Captain of the squad shall designate the Firefighter who is not subject to the five (5)-year limit. When a vacancy for Firefighter is filled, the position shall be posted with the other normal vacancies. The Employer shall fill the position with any Firefighter that has bid for the position without regard to seniority.
- d) Squad 3 may operate with four (4) employees at management's discretion.
- 10.6 (10) When an employee has been determined by his/her treating physician to be permanently unfit to perform the duties of fire suppression, the employee's bid spot will be treated as "open" for bid under the provisions of Section 10.6. If the employee's treating physician fails to cooperate by rendering a decision, the employer may select a health professional to make the determination. Except with regard to removal from his/her bid assignment, the posting of such an employee's position under these circumstances shall not limit or

ARTICLE 10 – SENIORITY (Continued)

abridge the employee's contractual or statutory rights or benefits regarding his/her employment.

- 10.7 In the event that an employee bidding on a vacancy in a Hazardous Materials Response Unit does not have the required Hazardous Material certification at the time of assignment, he/she shall obtain such certification by satisfactorily completing the next available training session offering such certification.

ARTICLE 11 – OVERTIME

- 11.1 Employees required to work hours in excess of their assigned tour of duty will be compensated at the rate of one and one-half (1.5) times the Employee's regular rate in cash or in compensatory time at the option of the Employer. This includes early reports and/or extensions of regular tours. In cases where employees are detailed for early reports and or extensions of their assigned tour of duty, Article 9.1 will apply for the purposes of determining the overtime rate.
- (a) Employees working a voluntary overtime shift shall be paid at the rate of one and one-half (1.5) times the base rate plus any applicable premiums according to Article 31 for the work being performed, regardless of the employee's certified title.
- 11.2 (a) Employees working a forty (40) hour work week may accumulate up to a maximum of forty (40) hours of compensatory time.
- (b) It is also agreed that Fire Prevention employees may accumulate up to a maximum of fifty-six (56) hours of compensatory time. It is understood that compensatory time shall be scheduled only with the prior approval of management, and that such time shall not be scheduled so as to interfere with operations. Such time shall normally be scheduled in eight (8)-hour segments, except that Fire Prevention employees may, with the approval of the Fire Chief, take time off in four (4)-hour segments.

ARTICLE 12 – CALL BACK

- 12.1 Employees required to report for work by the Employer during scheduled off-duty time will be compensated at the rate of one and one-half (1.5) times the base rate plus any applicable premiums according to Article 31 and Article 9 for the work being performed. The minimum payment under this Article will be four (4) times the Employee's hourly rate.
- 12.2 Employees required to appear in court during scheduled off-duty time will be compensated at the rate of one and one-half (1.5) times the employee's regular rate for hours worked with a minimum of four (4) hours at the employee's regular rate. The minimum of four (4) hours shall not apply when such court time is an extension of or an early report to a scheduled shift.

At such time as the City determines that an employee shall be required to submit to a fitness for duty evaluation and during the time the evaluation is pending, the City shall reassign the employee to other duties or place the employee on paid administrative leave.

However, such assignment or pay status may be revoked or discipline imposed if the employee fails to cooperate with the City or the Medical Professional including any failure to provide documentation or waivers deemed necessary by the Medical Professional in order to prepare the fitness for duty examination under these provisions.

After an employee who has been found to be not fit for duty has exhausted his/her incapacitation benefits under Article 27 and any sick leave, vacation, and compensatory

time banks, the City in its sole discretion, shall either assign the employee to a limited duty assignment or place the employee on an unpaid medical leave of absence. Such unpaid medical leave of absence shall last not less than two (2) years.

FMLA benefits shall run from the date employee has been determined to be not fit for duty. The employee shall be entitled to return to his/her last held rank if, prior to the expiration of the leave of absence, the Medical Professional who originally made the finding that the employee was not fit for duty determines that the employee has regained his/her ability to perform the essential functions of the job.

If the Medical Professional who originally made the finding that the employee was not fit for duty is no longer licensed to practice in the State of Minnesota, such determination of rehabilitation and fitness to return to work may be made by any Medical Professional currently on the panel. In the event of reinstatement, the City shall pay for the cost of any training or certification necessary for the employee to return to active duty as a fire fighter.

36.2 **Circumstances Permitting Referral for Psychological Examination.** The City may require an employee to be examined where there exists a reasonable cause to believe, based upon specific observations and facts and rational inferences drawn from those observations and facts, that the employee may be suffering from a mental condition and such condition prevents the employee from effectively performing the essential job duties or poses a threat to the health and safety of the employee or others. Such reasonable suspicion must be based upon the observations of at least two supervisors or co-workers who have first-hand knowledge or upon reliable information provided to a supervisor that employee is currently exhibiting conduct which reasonably demonstrates that the aforementioned circumstances exists. However, before making the referral, the Chief or his/her designee shall verify the validity of the circumstances by meeting with the employee or conducting an investigation as to the factual basis of the alleged conduct.

36.3 **Circumstances Permitting Referral for Physical Examinations.** The Chief or Assistant Chief of the Fire Department may require an employee to be examined under this article in the circumstances described below:

36.3(a) Where there exists a reasonable cause to believe, based upon specific observations and facts and rational inferences drawn from those observations and facts, that the employee may be suffering from a physical condition and such condition prevents the employee from effectively performing the essential job duties or poses a threat to the health and safety of the employee or others. Such reasonable suspicion must be based upon the observations of at least two supervisors or co-workers who have first-hand knowledge or upon reliable information provided to a supervisor that employee is currently exhibiting conduct which reasonably demonstrates that the aforementioned circumstances exist. However, before making the referral, the Chief or his/her designee shall verify the validity of the circumstances by meeting with the employee or conducting an investigation as to the factual basis of the alleged conduct.

36.3(b) Where an employee is returning to active service after a leave of absence without pay or similar absence or where the employee has been outside of the

Department's observation or control for a period longer than six (6) calendar months.

36.3(c) Where an employee is returning to active service after a serious illness, injury or medical condition whether or not the employee's personal physician has placed restrictions on the employee's job-related activities.

36.3(d) Where an employee has been involved in an incident where the potential for physical trauma to the employee was significant.

36.3(e) Where the employee contends he/she is not medically fit for duty.

36.4 **Employee Right to Grieve.** Nothing herein shall limit or otherwise modify the rights of an employee to file for a grievance arbitration to challenge the basis upon which the Chief relied in making the referral for the physical or psychological evaluation before the employee shall be required to submit to a psychological fitness for duty evaluation as established by the Minnesota Court of Appeals in *Hill v. City of Winona*. The processing of the grievance arbitration should be completed within sixty (60) days, if at all possible. If after the grievance is resolved or arbitrated and the cause for referral is upheld, the employee must sign all necessary releases and fully cooperate with the fitness for duty examination or be subject to disciplinary action.

36.5 **Adverse Findings; Documentation.** Where it is determined that an employee is not fit for duty, the examining physician shall prepare a written report which includes the following:

(a) A specific diagnosis of the employee's condition and the reasons why such problem renders the employee unfit for duty;

(b) A statement as to whether the employee, with reasonable accommodation, is able to perform the essential functions of the job;

(c) A specific treatment plan, if any; and

(d) A prognosis for recovery and a schedule concerning re-examination.

The employee shall sign an appropriate release in order to authorize the doctor to disclose to the Chief whether the employee is fit for duty and, if not, the information specified in (a), (b) and (d), above. A copy of the examining physician's written report shall be provided to the employee unless the examining physician or other licensed medical provider documents with reasonable specificity that disclosure of the information in the report is likely to cause harm to the employee or to others. In such cases, the information shall be handled and/or disclosed in a manner consistent with prevailing medical and/or legal authority.

APPENDIX C – VACATION/HOLIDAY

The following chart illustrates the total vacation/holiday hours in an alternative format for ease of vacation/holiday hours determination. This chart does not add to or detract from the total hours available as specified in Article 16. This appendix is not subject to Article 6 of this agreement.

	COLUMN 1	COLUMN 2	COLUMN 3	COLUMN 4	COLUMN 5
Years of Service	40-hour schedule, annual vacation accrual, in hours	Annual floating/designated holiday accrual, in hours (11 holidays)	Annual vacation/holiday accrual, in hours	56-hour multiplier (2,912/2,080)	56-hour schedule, annual vacation accrual, in hours
0-5 years	104	88	192	1.4	268.8
After 5 yr	144	88	232	1.4	324.8
After 15 yr	200	88	288	1.4	403.2

Employees on 40-hour schedule accrue vacation at the annual rates above (COLUMN 1) and additionally receive 11 floating/designated holidays (COLUMN 2), for a total annual leave balance that is reflected in COLUMN 3.

For employees on a 56-hour schedule, there is no distinction between the accruals in COLUMN 1 and COLUMN 2. These employees receive the total accrual in COLUMN 3, multiplied by 1.4, to account for being on a 2,912-hour schedule as opposed to a 2,080 hour schedule. The annual accrual for employees on a 56-hour schedule is indicated in COLUMN 5.

When an employee is assigned from a 56-hour work schedule to a position with a 40-hour work schedule, their current vacation balance (COLUMN 5) will be divided by 1.4 (COLUMN 4), and for each remaining holiday in the payroll year (COLUMN 2), an additional eight hours will be subtracted, to produce the total in COLUMN 1.

When an employee is assigned from a 40-hour schedule to a 56-hour schedule, their vacation balance (COLUMN 1) will have 8 hours added for each remaining holiday during the payroll (COLUMN 2), and the resultant amount (COLUMN 3) will then be multiplied by 1.4 (COLUMN 4) to produce the total in COLUMN 5.

The above provisions of vacation shall be subject to the Saint Paul Salary Plan and Rates of Compensation, Section I, Subdivision H, unless the contract provisions directly conflict with the Salary Plan. In such cases, the language of the contract shall supersede/replace the conflicting language of the Salary Plan.
