## **Bush-Desoto Stormwater Pond Improvements Project Starting December 2023**

Dear Resident,

The City of Saint Paul is working with a contractor (U.S. Siteworks) to modify and improve the stormwater pond located next to the intersection of Bush Avenue and Desoto Street. Construction is planned to begin in December 2023 and last about six months. *See attached map for project area.*

### **How this impacts you:**

- The intersection of Bush Avenue and Desoto Street may be closed at times. Please follow all posted signs and directions from construction workers.
- Access to driveways will be maintained.
- Sidewalks adjacent to the work area will remain open.
- No parking signs may be posted near the construction site. Please follow all posted signs

### **What is the cost?**

There is no cost to property owners for the stormwater pond improvements. This project is funded by the sewer utility.

### **Project updates:**

More details about the construction schedule will be shared as they are available. Project updates will be posted online at [stpaul.gov/BushDesotoPond](http://stpaul.gov/BushDesotoPond)

### **Questions:**

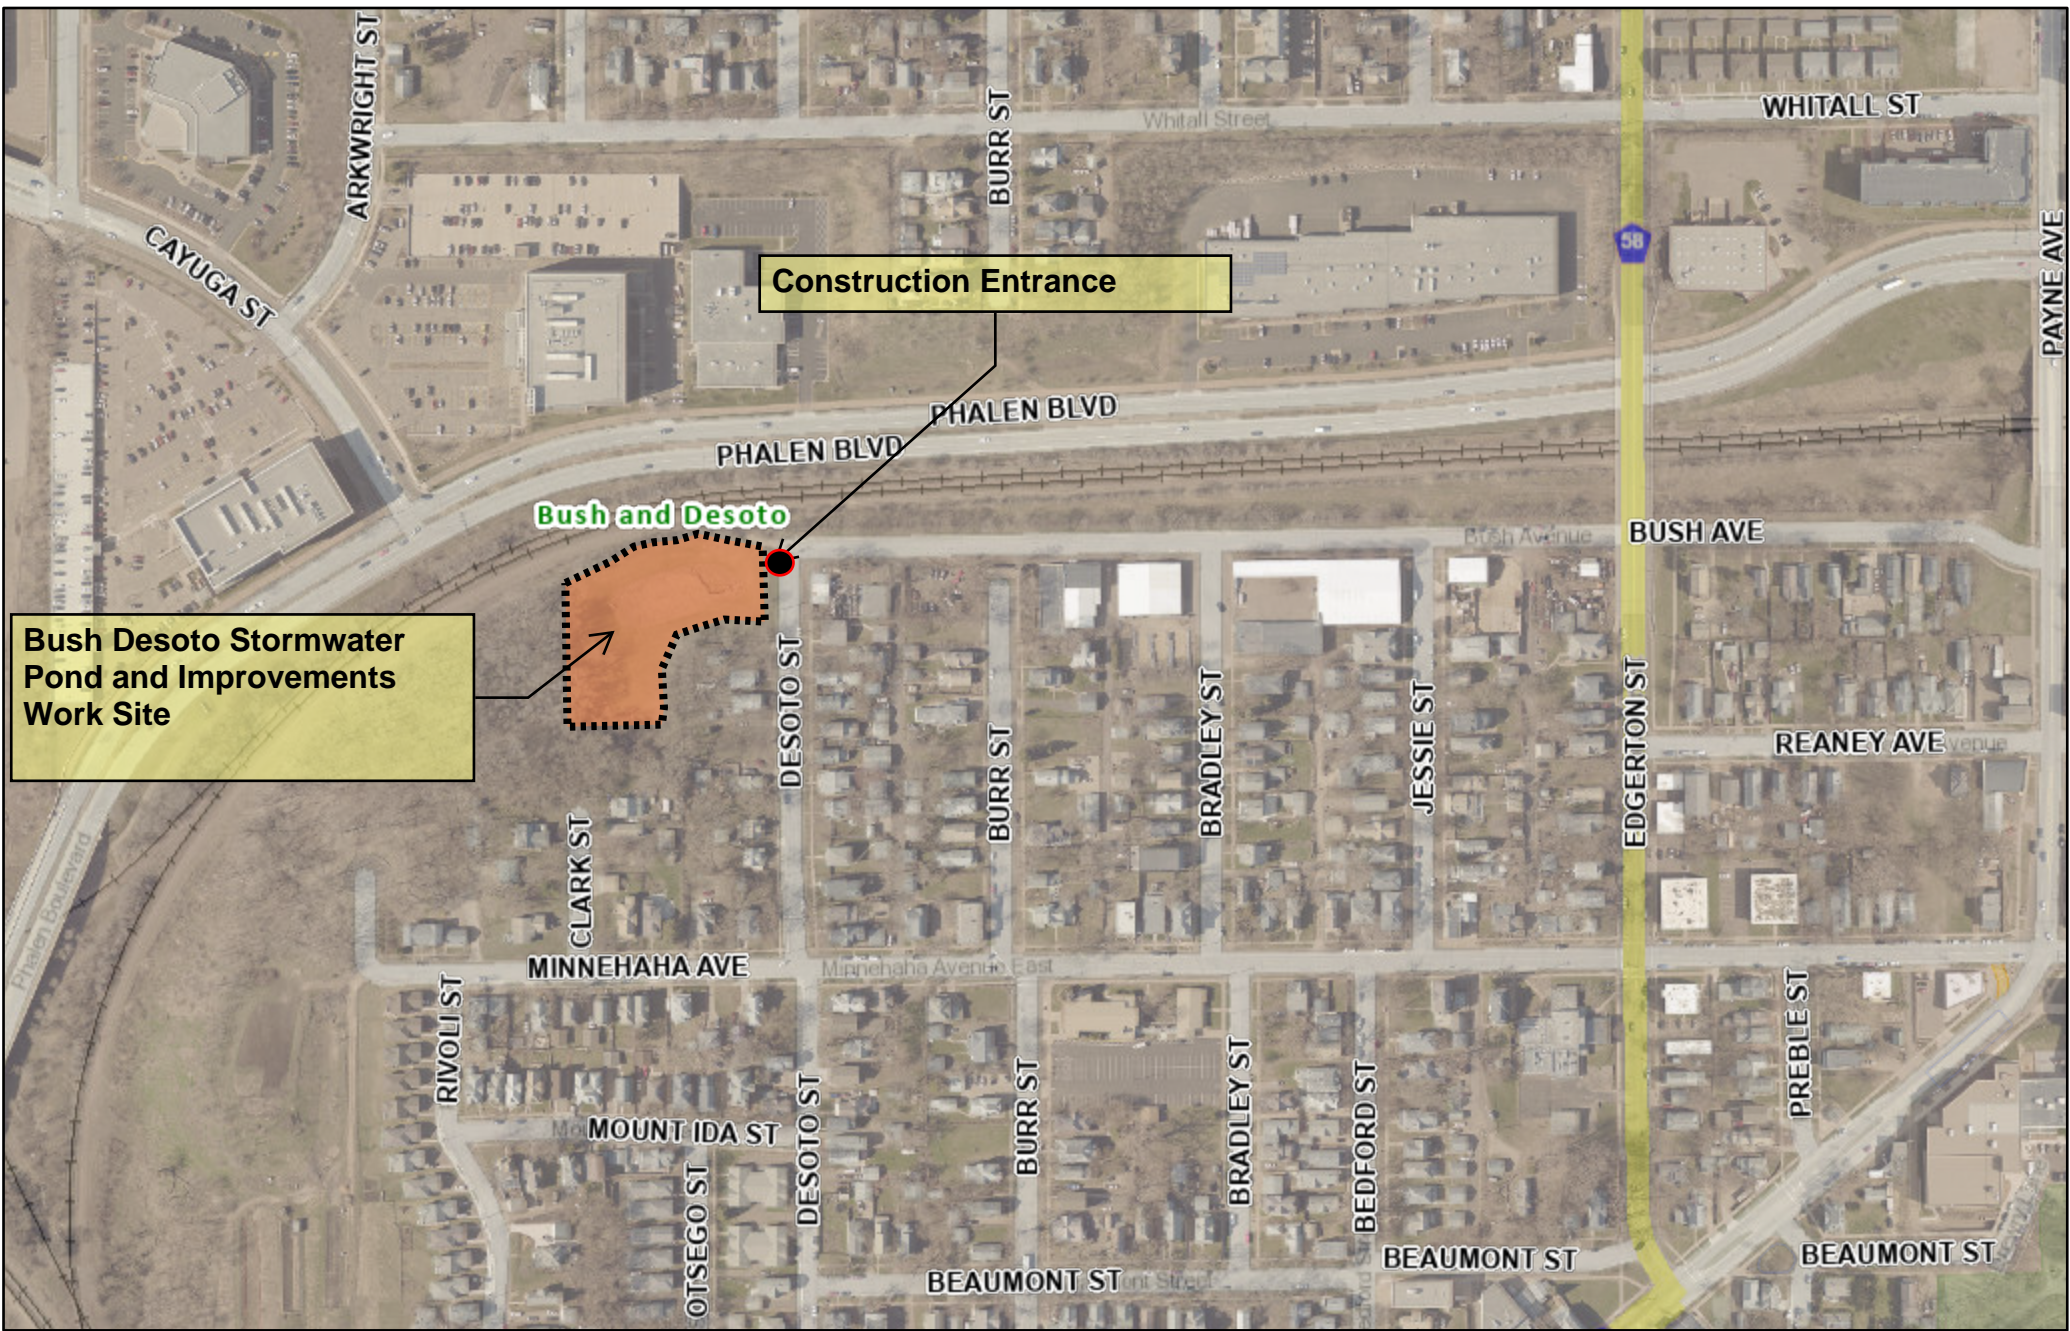

For questions, please contact Aaron Hass at 651-485-2262 or [aaron.hass@ci.stpaul.mn.us](mailto:aaron.hass@ci.stpaul.mn.us).

Thank you,

Aaron Hass, P.E.
