## Sanitary Sewer Tunnel Repair Work on Sherman Street between West 7th and Exchange streets

Dear Resident,

The City of Saint Paul is working with a contractor (PCi Roads) to complete sanitary sewer tunnel repair work under Sherman Street between West 7th and Exchange Streets. Work is planned to begin January 8, 2024, and to be completed by March 30, 2024. *See attached map for location.*

### How this impacts you:

- Sherman Street will be closed to thru traffic between West 7th Street and Exchange Street.
- Access to driveways will be maintained.
- No parking signs will be posted near the construction site. Please follow all posted signs.
- Snow removal within the work areas will be done by the contractor.

### What is the cost?

There is no cost to property owners for the sewer work.

### Project updates:

More details about the construction schedule will be shared as they are available. Sewer project updates will be posted online at [stpaul.gov/SewerWork2024](http://stpaul.gov/SewerWork2024).

### Questions:

For questions, please contact Aaron Hass at 651-485-2262 or [aaron.hass@ci.stpaul.mn.us](mailto:aaron.hass@ci.stpaul.mn.us).

Thank you,

Aaron Hass, P.E.
