

Kellogg Boulevard Projects

City Goals for Kellogg Boulevard

- Make the Capital City Bikeway connection
- Be compatible with event center operations as an economic engine of downtown
- Create a welcoming pedestrian event experience and environment
- Be compatible with Eastbound Kellogg Bridge at RiverCentre
- Be compatible with the Riverview Corridor
- Support future increase of density and reorientation of downtown towards the river
 - » RiversEdge
 - » RiverCentre Parking Ramp
 - » River Balcony
 - » Riverview Corridor
