A.	Applicant - Location - Zoning - Purpose: <u>Major Variance</u>	1156 Lincoln, LLC 1156 Lincoln Avenue H2	<b>(24-091022)</b>
		The applicant is proposing to demolish the existing duplex on the property and construct a new triplex. The zoning code states that when an alley is present, garages must be located in the rear yard and accessed through the alley; the proposed triplex has two attached garages accessed via Dunlap Street through the side yard, for a variance of the requirement.
