WHEREAS, on August 28, 2024, FCC purchased property at 560 Randolph Avenue in Saint Paul to store, fuel, and maintain trash collection vehicles when it begins collecting trash citywide in Saint Paul on April 1, 2025; and

WHEREAS, on January 10, 2025, the City's Zoning Administrator issued a Statement of Clarification determining that FCC's proposed use of 560 Randolph Avenue as a truck dispatch and maintenance facility is similar in character and impact to a public works yard or maintenance facility, which is a permitted use in an I1 industrial zone; and

---

---

WHEREAS, there are no alternatives for ensuring citywide collection of garbage on April 1 if FCC cannot store, refuel, and maintain its vehicles at the property FCC purchased for this use that is located at 560 Randolph Avenue; and

WHEREAS, this inability to collect trash is a threat to an essential public service and the health, safety, and welfare of City residents and now creates an emergency under Chapter 13 of the Saint Paul Legislative Code; and

WHEREAS, Minnesota Statute Section 12.29 and Saint Paul Legislative Code Chapter 13.06 (a) authorize the Mayor to declare a local emergency “when necessary to prevent or respond to emergencies;” and

WHEREAS, the aforementioned impending disruption to citywide trash collection constitutes a local emergency as defined by Minnesota Statute Section 12.03, subd. 3 and Saint Paul Legislative Code 13.02.
