

# Rondo Streets Study

March / April Engagement Summary

SAINT PAUL  
MINNESOTA

## Study Overview

The City of Saint Paul is developing a community-led vision for street improvements within the Rondo neighborhood and adjacent areas. As part of the City's commitment to the Rondo neighborhood to have the vision for street improvements reflect the needs and wants of Rondo residents, the City is partnering with Community Based Organizations (CBOs) such as the J.K. Movement and 825 Arts, as well as District Councils to facilitate engagement with a diverse and representative audience. Information about the study is also being shared with community members through other CBOs.

Engagement during Phase I of the study is intended to collect feedback from community members on their vision for travel throughout the neighborhood. Below is a summary of engagement conducted during March and April 2025. The list below does not include one-on-one coordination meetings with CBO and District Council staff for upcoming events.

## March / April Engagement

### Lexington-Hamline Community Council Meeting - *March 26, 2025 at Yellowbird Coffee*

The project team introduced the study to approximately 12 members of the Lexington-Hamline board and discussed upcoming opportunities for engagement coordination with the community council. The project survey and comment map were shared with the board, who shared it with the broader Lexington-Hamline community.

### Union Park District Council Board Meeting - *April 1, 2025 on Zoom*

The project team introduced the study to approximately 8 members of the Union Park board and discussed upcoming opportunities for engagement coordination with the community council. The project survey and comment map were shared with the board, who shared it with the broader Union Park community.

### Summit University Planning Council Neighborhood Development Committee - *April 8, 2025 on Zoom*

The project team introduced the study to approximately 8 members of the Summit-University Planning Council Neighborhood Development Committee and discussed upcoming opportunities for engagement on the study. The project survey and comment map were shared with the committee, who shared it with the broader Summit-University community.

## Upcoming Engagement

The project team will be popping up at the following community events to collect feedback on the study next month. As more events are confirmed they will be posted on the study website.

- Lexington-Hamline Scavenger Hunt - *May 3, 2025*
- Union Park Transportation Committee - *May 12, 2025*
- Lexington-Hamline Open House - *May 14, 2025*
- 825 Arts Art-BQ- *May 20, 2025*
