**Citywide Sewer Work: Duchess Street
August 2025**

Dear Saint Paul Resident or Property Owner:

The Saint Paul Public Works Sewer Utility is working with a contractor (Minger Construction) to repair a storm sewer in the Duchess Street cul-de-sac. *See map included with this letter for details.*

The sewer repair work will begin the week of August 25th or September 1st. Anticipate repairs (including surface restoration) will be completed within a 2-3 week duration (as weather allows).

How this impacts you:

- Signs will be posted near the construction site. Please follow all posted signs.
- There will be no impacts to your sewer service.

What is the cost?

There is no cost to property owners for the sewer repair work.

Questions:

For questions about the sewer work, please contact Nathan Florek at 651-266-5708 or Nathan.Florek@ci.stpaul.mn.us.

Sincerely,

Aaron Hass, P.E.
Civil Engineer IV
