

Robert Street Reconstruction

Downtown Saint Paul's Commercial Corridor

SAINT PAUL
PUBLIC WORKS

NOTICE: 6th Street and Robert Street Closure Continues

The intersection of 6th & Robert will continue to be closed for reconstruction work following the emergency closure on August 8. The closure will remain in place until late October. Please be advised that no traffic will be able to cross this intersection.

Reason for the closure:

- Allows crews to work more quickly and efficiently.
- The 6th Street and Robert Street intersection is one of the last remaining sections of the project that still has remaining infrastructure that needs to be removed.
- Allows construction to stay on track with intended progress before the end of this construction season.
- Westbound traffic can cross at 7th street and Kellogg Blvd
