**Jimmy Lee Play Area
Community Design Advisory Committee
Role and Expectations**

Project Goal: Create a concept plan for improvements to Jimmy Lee Play Area to improve the play area and create a vibrant public space.

Objectives:

1. *Improve the play area*
2. *Address soil issues on site (presumed contamination)*
3. *Create a connection (physical and visual) the Oxford Recreation Center, Jimmy Lee, and Athletic Fields*

The Charge of the Design Advisory Committee:

- Advise the design team composed of city staff in the concept development and refinement for Jimmy Lee Play Area

The role of the Design Advisory Committee:

- Help to determine the community needs and desires for the site
- Review plan concepts and provide input on major design elements and themes
- Bring suggestions from community, stakeholders, and respective organizations to the attention of the project team
- Help communicate project progress to community members
- Provide guidance to City staff on final design recommendations for the project
- Ensure that the full range of issues are discussed during the design process

Expectations for Committee members include:

- Represent and communicate the community needs and desires for the site
- Respect for different perspectives
- Courtesy of one another
- Contribute in a positive way
- Attend every meeting or send a representative
