Description of Saint Paul’s Form of Government

The City Charter provides for a municipal corporation governed by an elected chief executive, the Mayor, and an elected legislative body, the City Council. The form of government is commonly referred to as “strong Mayor-Council”. Elections are held in November of odd-numbered years, with a four-year term for the Mayor and four-year terms for Council members. Each of the seven Council members is elected from a separate ward. The seven wards are approximately equal in population.

The Mayor recommends appointments for department/office directors and members of boards and commissions for Council approval, and is responsible for the direction and control of departments and offices. The Mayor recommends policies and budgets to the City Council. The Mayor exercises all powers and performs all executive duties given by the city charter, city ordinances and state laws. The Mayor has the authority to veto Council actions. The Council can override the Mayor’s veto with a minimum of five votes.

The Council is the legislative body, setting policies by enacting ordinances and resolutions. It can monitor and maintain liaisons with community groups to assure adequate citizen participation. The Council analyzes, adopts and monitors the city budget. Council members prepare and promote the City’s legislative program. They serve on boards and commissions of certain intergovernmental agencies.

Budget Process

The budget process is designed to conform with Minnesota law, the City charter and the legislative code. The process to develop the budget commences in February.

January - March

The budget for the following year is finalized during this time. This includes preparing, printing and distributing books reflecting the adopted budget. The accounting section of the Office of Financial Services prepares the annual financial report for the previous year. During this time, the “base budget” for the upcoming year is identified.

April - June

Forms, instructions, printouts and the Mayor’s guidelines are distributed to departments. These tools are used to plan for and develop operating budgets. Department management and staff identify objectives, performance indicators and the resources needed to accomplish goals. Services are reviewed to determine purpose, need and cost-saving ideas.

Department requests for the following year’s budget are submitted to the Office of Financial Services in June. After that, each department’s budget is analyzed by the OFS budget staff. The Mayor meets with the department directors to discuss their needs and to ensure that budgets meet the service level and taxing objectives that have been established for the City.

July - September

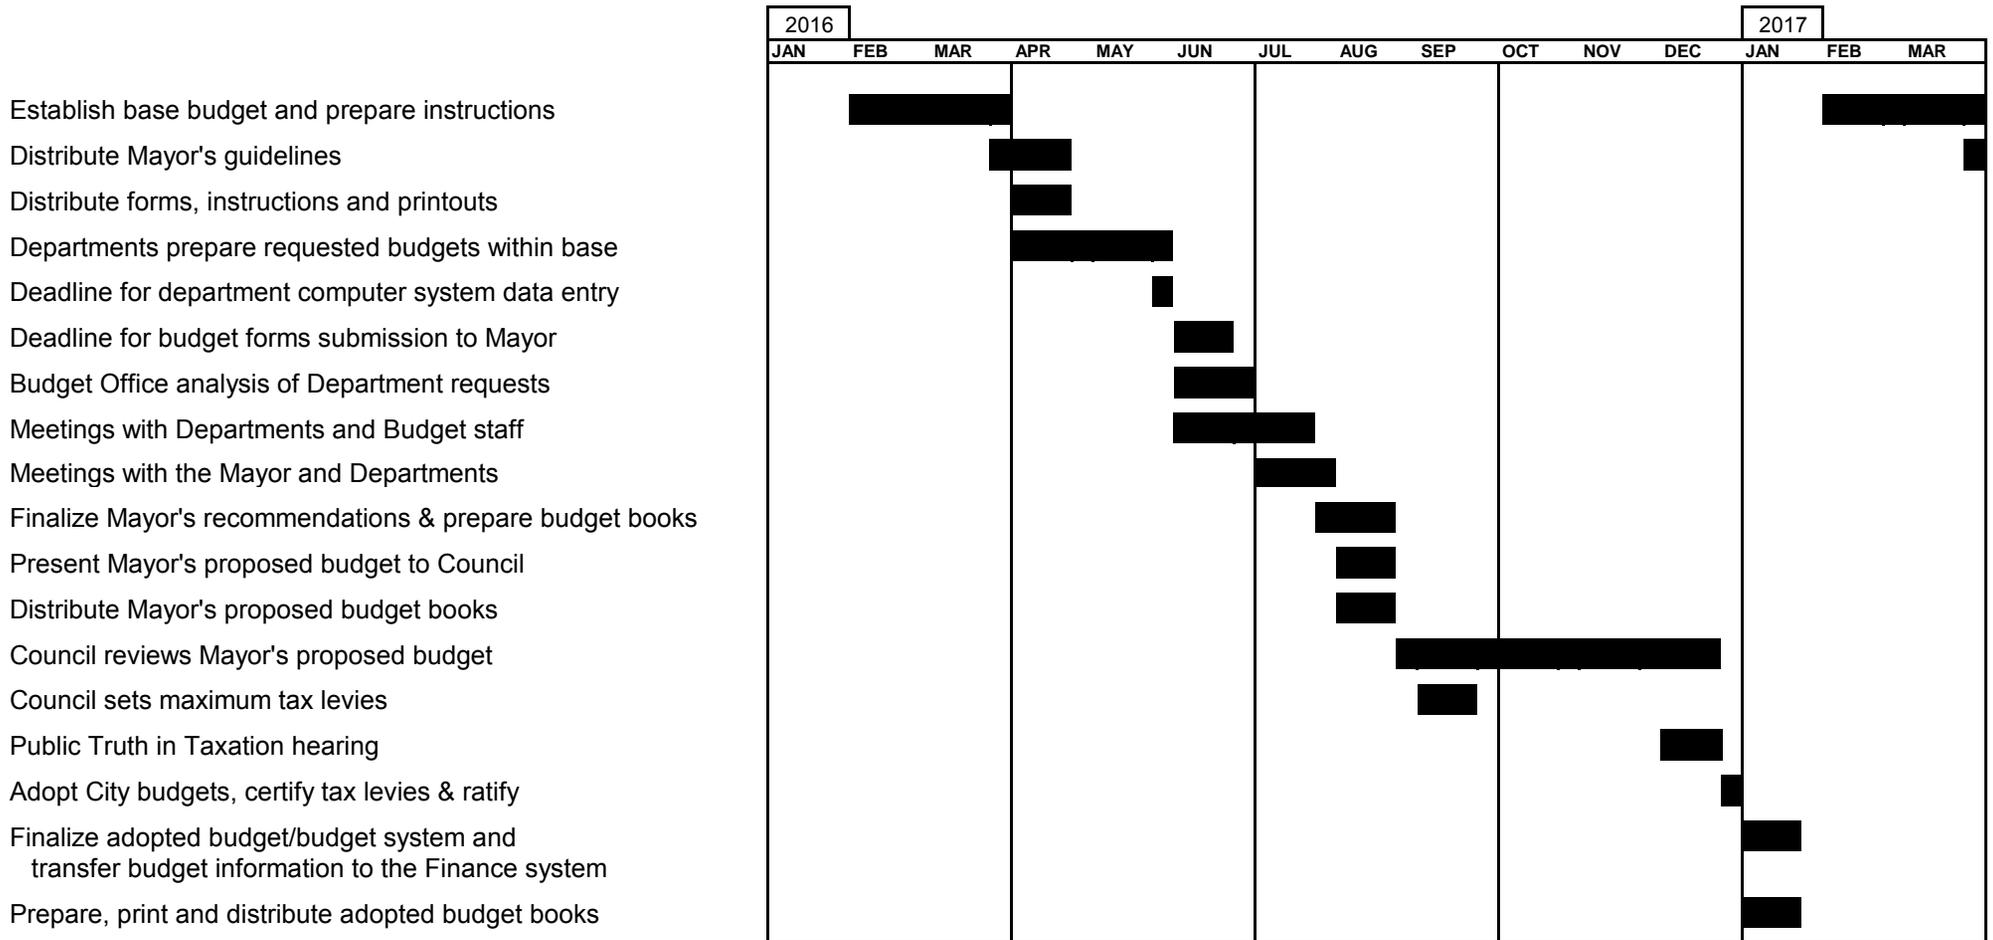

The budget staff finalizes the Mayor’s recommendations and produces the Mayor’s proposed budget. The Mayor then submits the recommended budget to the City Council by August 15, as required by the City Charter.

In August, the City Council begins reviewing the Mayor’s proposed budget. The Council holds meetings with department directors, management and staff to obtain a clear understanding of the department’s goals, service priorities and objectives that are represented in the proposed budget. As required by state law, the City Council sets the *maximum* property tax levy in September. Governmental units can adjust budgets, resulting in property taxes that are less than or equal to, but not more than, the maximum levy.

October - December

The City Council holds public hearings on the budget. Ramsey County mails property tax statements to property owners indicating the *maximum* amount of property taxes that the owner will be required to pay. These statements also indicate when the budget and property tax public hearings will be held. State law requires the City to hold a meeting to give residents the opportunity to comment on the information in their notices. This meeting is held in early December. The City Council then adopts a budget and tax levy for the City. The adopted budget represents changes made by the City Council to the Mayor’s proposed budget. The Mayor has line-item veto authority over the Council-adopted budget.

CITY OF SAINT PAUL BUDGET CYCLE

Content and Other Publications

Information Included

This publication contains information on City of Saint Paul operating and debt service budgets. Operating budgets include the general fund and 25 special funds. The capital improvement budget (CIB) is included in a separate document. The Housing and Redevelopment Authority (HRA), Water Utility, RiverCentre, Library Agency and Port Authority budgets are not included because they are separate entities.

Purpose

The goal of this report is to provide taxpayers with an easy-to-use guide to City spending. We have tried to answer the question “Where does the money go?” by providing tables and graphs to display this information. As a staff, we always struggle with what level of detail to show. If we show too little detail, our publications will not answer the questions people most commonly ask. If we show too much detail, the budget documents become extremely large and expensive to print. Poring through them can be daunting, tedious and time consuming.

We hope that this summary will help make taxpayers aware of where the City’s resources come from and where they go. We hope this information will help taxpayers see how state revenues and decisions on property tax classification affect local property taxes. They will understand better how the property tax base affects property taxes. They will also see how difficult it is for decision makers to cut the budget without including some of the services taxpayers tell us they hold most dear, such as police, fire, libraries and parks. These services are such a large portion of the budget, they are difficult to ignore. We believe heightened taxpayer awareness of City programs will increase the quality of public debates on spending and taxes and, ultimately, the quality of public policy.

Budgets, Not Spending

Unless otherwise noted, the numbers in this document are *budget* amounts, not actual spending. Actual spending amounts for past years can be found in a publication called the Comprehensive Annual Financial Report (CAFR). See the following information.

Other Publications and Information

The Office of Financial Services (OFS) publishes this summary document each year to display the Mayor’s proposed budget. However, to keep printing costs down, it is only available on a limited-distribution basis. OFS also publishes a brochure which contains budget data and demographic information. As time permits, we update a statistical summary with trend information over longer periods of time. All of these publications are available for viewing in Saint Paul Public Libraries, in the Government Documents Section, or by calling the Office of Financial Services at 651-266-8800. Our Web site is www.stpaul.gov. Some budget documents are available on this Web site.

City and Library Agency Composite Summary

Overview of Combined City and Library Agency Budgets

With the creation of the independent Saint Paul Public Library Agency beginning with the 2004 budget year, detailed information about library budgets and activities is now presented in a separate document, and is generally excluded from the City budget information contained in this publication.

The information provided in this section is intended to give a high-level overview of the combined City and Library Agency budgets and permit overall year-to-year comparisons to be made more easily. Detailed information about the Library Agency budget will be made available in a separate publication published by the Agency.

City General Fund

General Fund - 2017 Adopted Budget

Purpose: The General Fund is the principal financial support for such basic services as the police and fire departments, parks and recreation, and general government operations (i.e., Mayor and City Council, human resources, finance and other internal services). The major financing sources for this fund are property taxes, local government aid, franchise fees, and other general revenues. The tables and graphs on the following pages detail the General Fund's adopted 2017 spending and financing plan.

Financing Highlights

The major financing sources for this fund are:

- ❖ Property Taxes – 31.5% (35.9% incl Library Agency)
- ❖ Local Gov't Aid – 24.8% (23.2% incl Library Agency)
- ❖ Franchise fees – 10.1%
- ❖ Other revenues, aids, and user fees – 33.6%

Local Government Aid (LGA): Local Government Aid has been generally lower and less predictable since state aid cuts began in 2003. However, the trend has reversed since 2014, with a significant restoration in 2014 of \$10.1 million followed by an inflationary increase in 2015. Because the state did not adopt an omnibus tax bill during the 2017 session, Saint Paul's share of LGA remains mostly flat for 2017.

Despite recent increases, LGA is still \$13.5 million less than the amount certified in 2003, and nearly \$48 million less than the 2003 certified amount after adjusting for inflation.

Property Tax Levy: Financing for the adopted budget includes 7.9% increase in property tax resources. The total adopted levy is \$114.0 million. 72% of the levy will finance General Fund operations and 16% is for the Library Agency. The remainder is used for City debt service or is levied on behalf of the St. Paul Port Authority.

City Franchise Fees: The 2017 financing decreases slightly based on recent performance. Franchise fees have experienced steady and consistent results with minimal growth over the past several years.

Parking Meter & Fine Revenue: The parking meter system underwent an expansion in 2016 that included metered parking until 10 pm Monday through Saturday in the downtown area and the implementation of special event parking around Xcel Energy Center and CHS Field. An additional \$0.25 increase is included in the 2017 budget that is expected to generate an additional \$430,000. The solid financial performance of the parking meter system is helping offset a decline in fine and continuance for dismissal revenue.

Budget Issues and Challenges

Current Service Level Adjustments: Current service level adjustments are indicated throughout this document in the summary sections for each department. Current service level changes include adjustments in spending and revenue that maintain a department's ability to continue the same operations as the previous year. These include both inflationary adjustments, such as cost of living allowances, and adjustments that reflect historical spending patterns, including fringe benefits and non-personnel expenses.

Rate of Spending Growth: Saint Paul's General Fund budget as adopted will increase by \$10.4 million, or 4.3% relative to 2016. The budget funds inflation related to existing services and also includes strategic investments in innovation & technology modernization, increases in sworn officer complements in public safety, and advances strategic investments to enhance equity in city services.

General Fund - 2017 Adopted Budget

Property Tax Base: Saint Paul has a local property tax base that largely consists of residential properties, including both owner-occupied and rental units. In total just over 50% of the City's total local property tax levy (excluding fiscal disparities) falls on residential property. This is due to a variety of reasons, some longstanding and others more recent. Historically, as the home to many tax-exempt educational, medical, and state government institutions, nearly 30% of the city's property has been exempted entirely from paying city property taxes.

State Budget Decisions and LGA: Local Government Aid is a significant revenue source for the City's General Fund, accounting for 24.8% of General Fund revenues (23.2% when combined with the Library Agency). While the total share of the city budget dependent on state payments has dropped significantly since 2003, the future of state Local Government Aid (LGA) remains a key variable in the City's ability to provide basic services. Since late 2008, the State unallotted or otherwise reduced LGA by more than \$45 million over a four year period, which caused a series of budget challenges and the reduction of important City services. Recent increases in are a good step toward renewing a more balanced and predictable state/local fiscal relationship, which will help make local budget planning and service delivery more predictable for Saint Paul residents.

Cost Pressures: The costs the City bears as an employer (wages, benefits, workers' compensation, etc.) compete for service delivery dollars. The City must continue to find ways to prudently and responsibly manage these costs in order to maintain service delivery levels and maintain the integrity of the City's finances. The largest General Fund expense is employee wages and benefits – 82% of all General Fund spending is for personnel costs. The 2017 budget includes a significant amount of cost containment that prudently and responsibly manages costs while preserving service delivery levels.

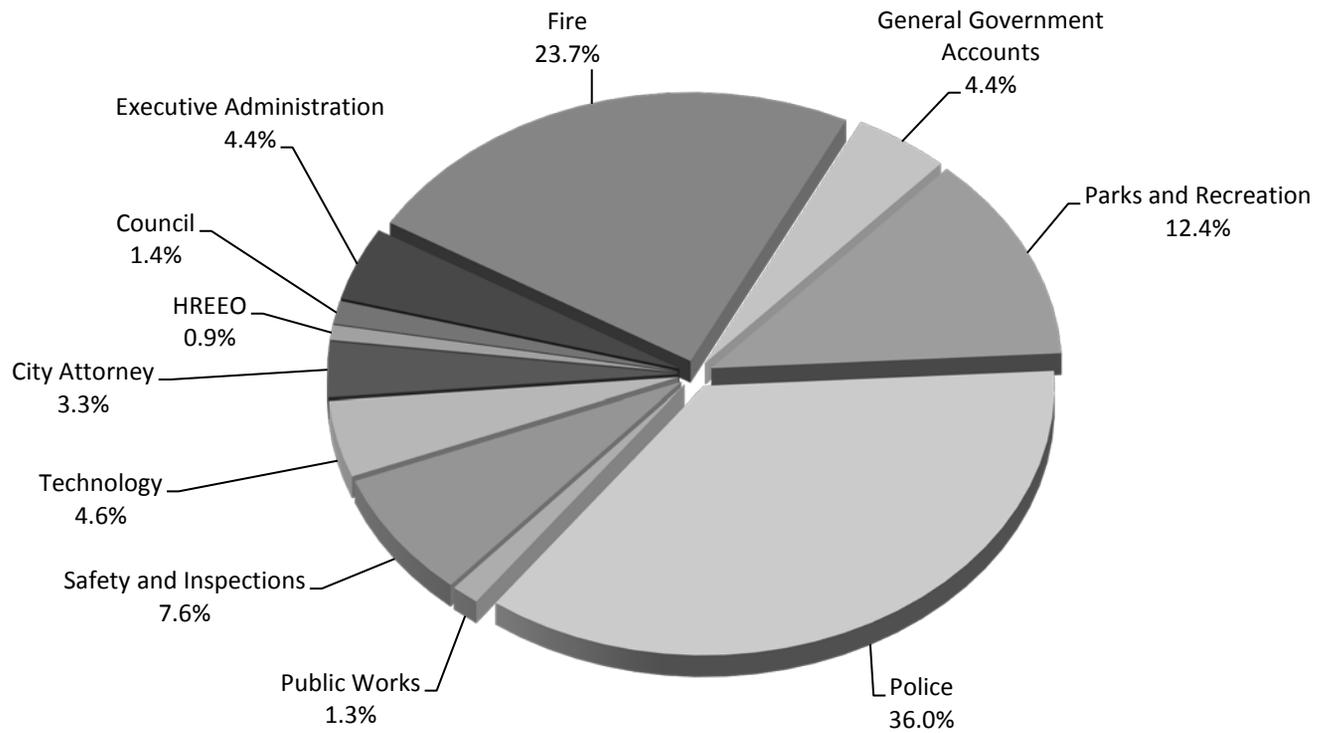

Maintaining Adequate Financial Reserves: From 1994 - 2005, the City spent from its General Fund balance to finance a share of the annual operating budget, which decreased the fund balance from its peak of 31% of subsequent year spending in 1998 to just under 15% in 2005. In 2006, the City enacted a fund balance policy mandating that the General Fund's balance be at least 15% of combined General Fund and Library operating spending. Despite significant mid-year reductions of LGA in 2008, 2009, 2010 and 2011, the City continues to successfully manage fund balance consistent with the adopted policy, including solving a 2011 mid-year budget deficit of over \$15 million without dipping into fund balance. The 2017 budget maintains compliance with the fund balance policy, while continuing to utilize financial management best practices by maintaining structural balance without relying on use of fund balance or other one-time resources to fund ongoing spending commitments.

Special fund budgets are designed to track revenues and expenditures for specific designated purposes. Special fund budgets are not supported by property taxes. Rather, special fund spending is supported by user fees, assessments and grants, which are typically restricted in some way. The restrictions require accounting in separate funds, which include operating funds, project funds, debt service funds and trust funds.

The city's general debt service budget provides for the principal and interest payments on its general obligation bond issues. The budget consists of two sets of appropriations: 1) an amount needed to meet the budget year debt service obligations, and 2) an amount needed to meet the obligations of the first half of the following year. Therefore, the amount appropriated for general debt service exceeds the amount actually spent in the budget year. This additional amount remains in fund balance to use as a financing source for the subsequent year's debt service payments. While complicated, this budget structure solves a cash flow problem for the city. The city receives state aids and property taxes mid-year and at the end of the year. If the city did not budget for subsequent year debt service payments, it would lack the cash to make the debt service payments due before the city receives its major cash infusions each year.

2017 Adopted Budget Debt Service

Department Description:

The Debt Management section of the Office of Financial Services sells city debt instruments at the lowest possible cost, manages the city's existing debt, researches and implements alternative financing scenarios for major capital projects to ensure savings, and facilitates all facets of the bond sale and post-sale compliance processes. Staff works with other city personnel to ensure elected officials are aware of all options for financing various projects, including the costs and benefits associated with each.

Department Goals

- Develop and implement financing alternatives for the city.
- Sell city debt instruments at the lowest borrowing cost.
- Ensure accurate and timely post-sale debt portfolio management.

Recent Accomplishments

- The city maintained its AAA bond rating from Standard and Poor's and Fitch Ratings due to the diverse economy, strong financial management and improving debt burden.
- Saint Paul is one of only 215 municipalities nationally with a AAA bond rating.
- OFS manages a \$550 million debt portfolio consisting of City General Obligation and City Revenue bonds.
- Successfully sold General Obligation, "Green" sewer and lease revenue bonds with record low interest rates totaling roughly \$28.5 million in 2015, utilizing various financing tools.
- Accurately paid existing debt on time and in full.
- Complied with ongoing disclosure and arbitrage requirements in a newly regulated market.

- Total City Debt Budget: \$129,040,639
- Total FTEs: 1.95
- AAA bond rating from Standard & Poor's and Fitch Ratings.
- "Very Strong" financial management rating from Standard & Poor's.
- More than 70% of general obligation debt is retired in 10 years; nearly 100% in 20 years.

Major City General Fund Revenues

Property Taxes

Property tax revenues account for about 36% of general revenues. In any given year several factors affect how much an individual property owner pays in city property taxes, including the following:

- City spending and financing needs.
- Size of the tax base.
- Composition of the tax base.

City Spending and Financing Needs

Property taxes are the primary revenue source that the Mayor and City Council control. The state establishes guidelines by which property taxes are administered, including how the tax burden is spread among different types of properties, but local elected officials have discretion over how much total property tax revenue to collect. As a result, city spending pressures and the availability of other funding, like state aid and local fees, often dictate the size of the property tax levy in any given year.

St. Paul Taxable Market Value	
Payable in 2015	\$18,505,760,900
Payable in 2016	\$19,383,709,400
Payable in 2017 (est.)	\$20,938,955,600

St. Paul Tax Capacity	
Payable in 2015	\$228,673,698
Payable in 2016	\$239,055,061
Payable in 2017 (est.)	\$258,264,126

Property Tax Base

The size of the property tax base is a function of taxable market value and the composition of the tax base. Yearly changes in market values are attributable to many factors, the most important of which is the demand for both residential and commercial property. As property values change, the size of the tax base also changes proportionately. A larger base allows for a broader distribution of the tax burden, which results in a lower tax rate.

Tax Base and Class Rates

The composition of the tax base determines the relative distribution of the tax levy among taxpayers. The State of Minnesota has established a class rate system which allocates different shares of property tax burden based on the use of a property (see chart). Apartments, residential homes, and commercial/industrial properties all have a different class rate. A higher class rate will result in a relatively higher share of tax capacity. Based on the class rate structure, one dollar of commercial/industrial property value has a greater relative tax capacity than one dollar of residential property value.

Minnesota Property Tax Class Rates <i>Payable in 2017</i>	
Property Type	Class Rate
Residential Homestead	
Up to \$500,000	1.00%
Over \$500,000	1.25%

Commercial/Industrial	
Up to \$150,000	1.50%
Over \$150,000	2.00%

Property Taxes

2017 Adopted Budget and Levy

The 2017 Adopted City levy is \$113,990,253 which is an increase of 7.94% from 2016. Of the adopted levy, \$112.2 million will fund city activities. \$80.8 million will go to the City's general fund, \$13.7 million for debt service, and \$17.7 million will fund the St. Paul Public Library Agency. The City also levies taxes on behalf of the St. Paul Port Authority, whose proposed 2017 levy is \$1.8 million.

Tax Dollars and the Services They Buy

Taxpayers often wonder what happens to the property taxes they pay. Here is an example for a typical home in Saint Paul in 2016:

The property tax bill is a combined statement covering the City of Saint Paul, School District 625, Ramsey County, and other "special taxing districts" such as the Metropolitan Council and local watershed districts. In 2017, a home with a taxable value of \$161,200 had a total property tax bill of \$2,137.

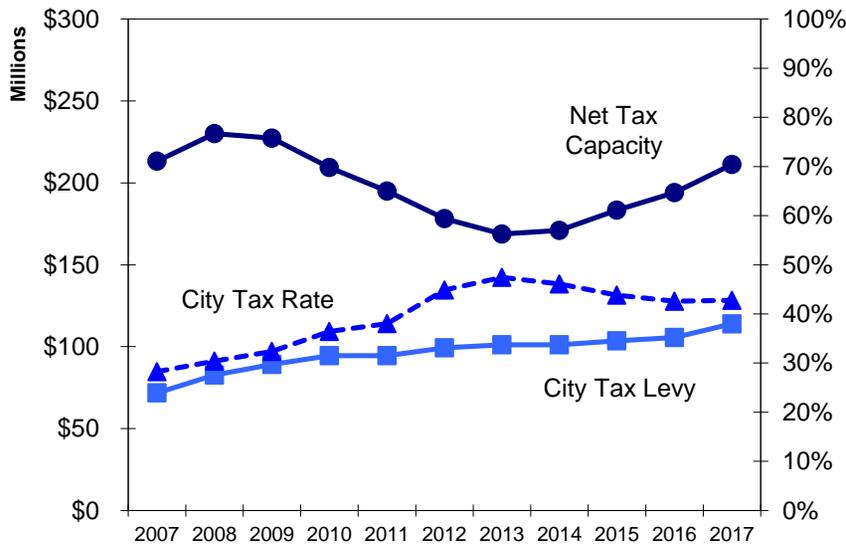

Approximately 26.4% of the total property tax payment for taxes payable in 2017 pays for City services – \$592 in this example.

For this particular home, the property tax payment of \$592 to the City would include the following amounts for key city services:

- \$173 per year for police services
- \$114 per year for fire and emergency medical services
- \$59 per year to operate and maintain the parks and recreation system
- \$33 per year to operate and buy materials for the Saint Paul Public Libraries
- \$71 per year for capital debt service—the cost of building new park and library facilities, playgrounds, and street construction

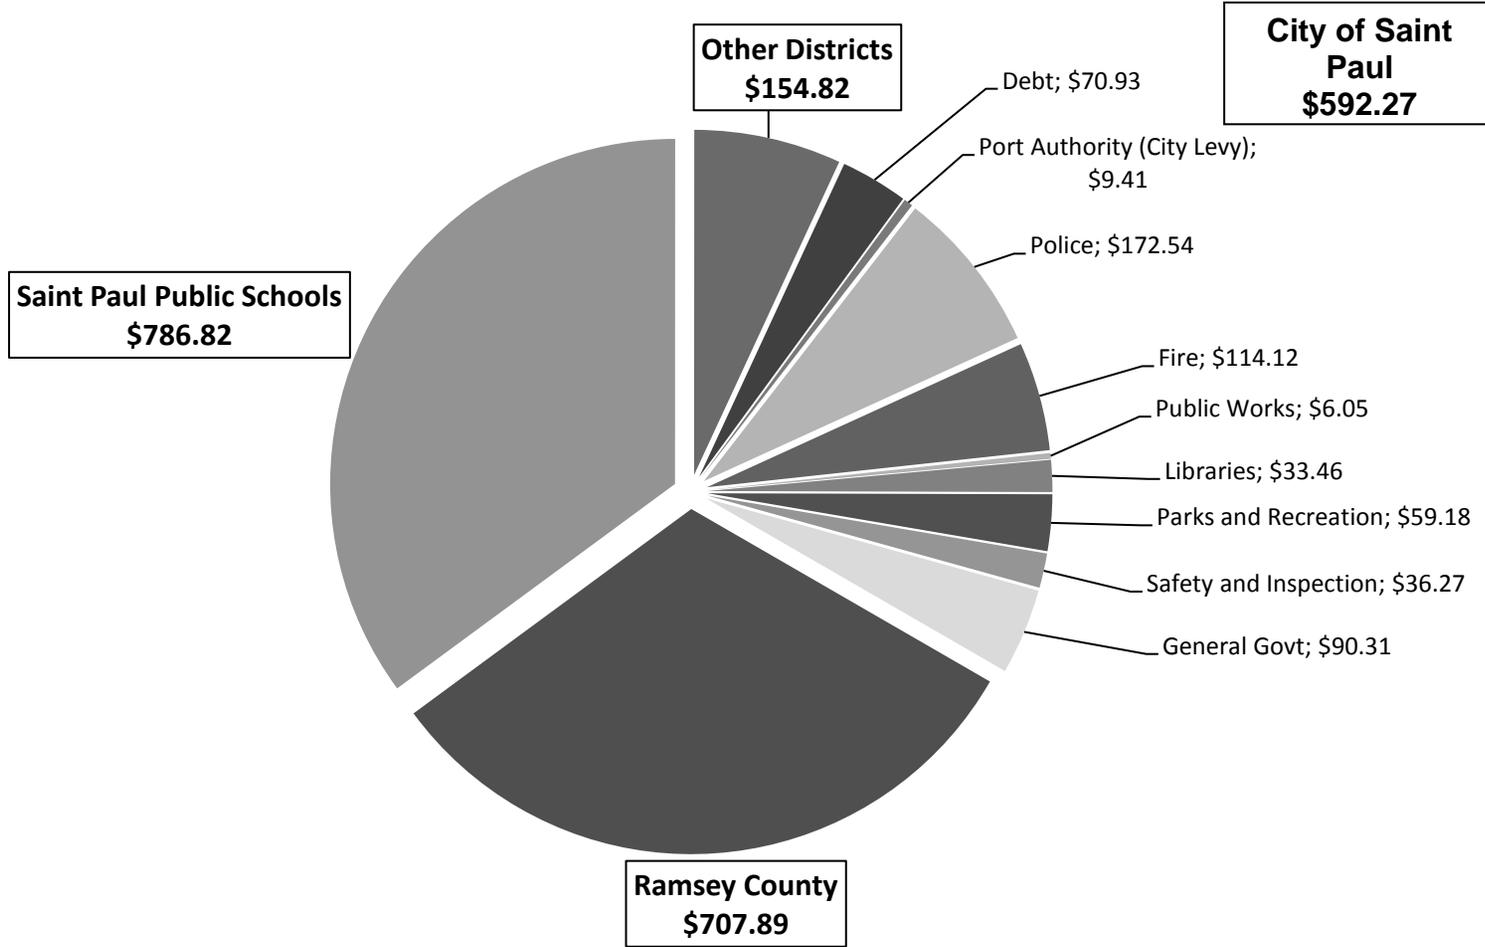

Property taxes cover only a small part of the total cost of services. In total, property taxes supply only about 16% of the City's total revenue and cover about 36% of the combined City and Library General Fund budgets. In comparison, the City's total adopted 2017 property tax levy for all city purposes—approximately \$113.9 million—is slightly above the \$108.3 million operating budget of the Police Department.

Local Government Aid (LGA)

Local Government Aid was initiated in 1971 as part of the “Minnesota Miracle”, and was intended to provide property tax relief to Minnesota cities. The state provides Local Government Aid to cities throughout Minnesota based on a “need/capacity” formula that compares each city’s tax base to an estimated level of spending needs based on local conditions. Cities which will not have enough local revenue capacity to meet their spending needs under this formula receive Local Government Aid.

For many years, LGA grew annually indexed to inflation. In 2003, the Governor and legislature approved changes to the funding formula and levels that greatly limited St. Paul’s LGA. LGA has continued to remain a volatile revenue source since 2003 and was reduced midyear in 2008, 2009, 2010 and 2011. Actual LGA received by the City remained flat for three consecutive years from 2011 to 2013. After a significant restoration in 2014 of \$10.1 million, LGA grew at or below the rate of inflation in 2015 and 2016. Because the legislature did not pass a tax bill during the 2017 legislative session, LGA stays mostly flat in 2017.

** In 2010 and 2011, the City's state aid was also reduced by a cut in Market Value Homestead Credit.

Franchise Fees

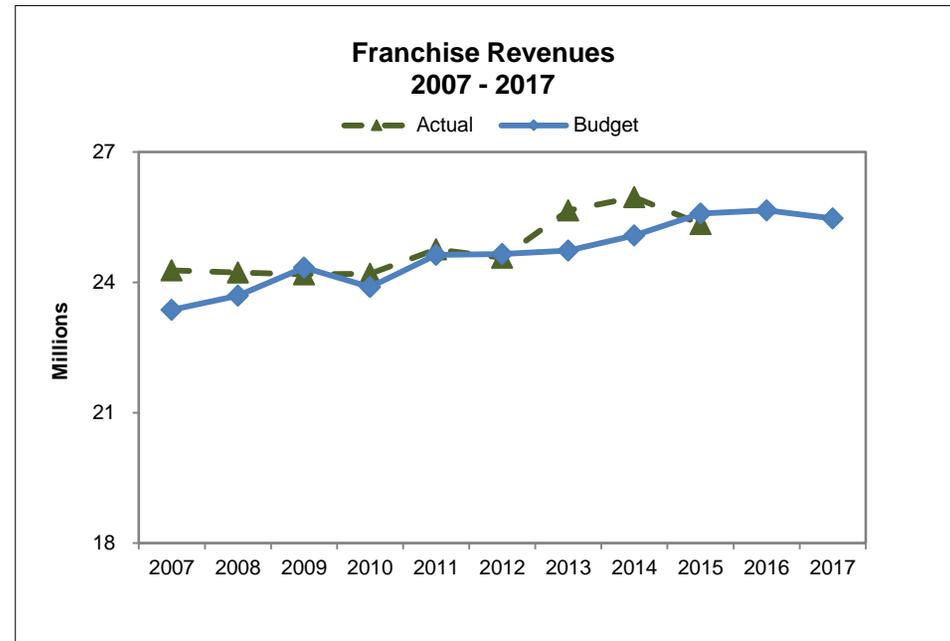

Utilities pay the City of St. Paul a fee for use of City streets and right-of-ways in delivering services to the residents and businesses of St. Paul. This fee represents usage charges for City-owned assets that utilities may use or disrupt in the process of constructing, installing, and maintaining their distribution and delivery systems.

Under state law, utilities may pass on their fees to utility customers on monthly bills. For each utility, the franchise fee is based on a negotiated formula adopted by City Council ordinance. Most of this revenue goes to the General Fund, but some franchise revenue supports debt service or specific City programs.

St. Paul Franchise Agreements:

- **Xcel Energy** supplies natural gas and electrical service to St. Paul homes and businesses.
- **Comcast and Century Link** provide cable television to St. Paul homes and businesses.
- **District Cooling**, part of District Energy, supplies cooled water for air conditioning in most of downtown St. Paul.
- **District Energy** provides heat to much of downtown St. Paul and electricity to Xcel Energy.

Paramedic Fees

The St. Paul Fire Department's paramedics and emergency medical technicians respond to nearly 30,000 emergency calls each year. Most of their calls require ambulance trips to hospitals from fires, accidents or other incidents. For these transportation and life support services, the Fire Department charges a series of fees. Most of these fees are paid through insurance and are based on the prices of private providers and other municipalities. Medicare and Medicaid reimburse for paramedic services at a fixed rate below that of most providers, which can reduce the collected fee per run.

Paramedic fees support the General Fund operations of Fire and Safety Services.

State Pension Aids

The state distributes aid to Police and Fire retirement programs in counties and municipalities based on fire and auto insurance premiums collected in the state. Taxes paid by insurers on those premiums are used to supplement police and fire pension contributions. St. Paul receives aid for Police and Fire pensions based on a number of factors:

- the number of full-time firefighters and sworn police officers St. Paul employs
- the uncovered liabilities (if any) of the police and fire pension funds
- the premiums collected by insurance companies in Minnesota

Only fire and auto insurance premiums are used to calculate pension aid.

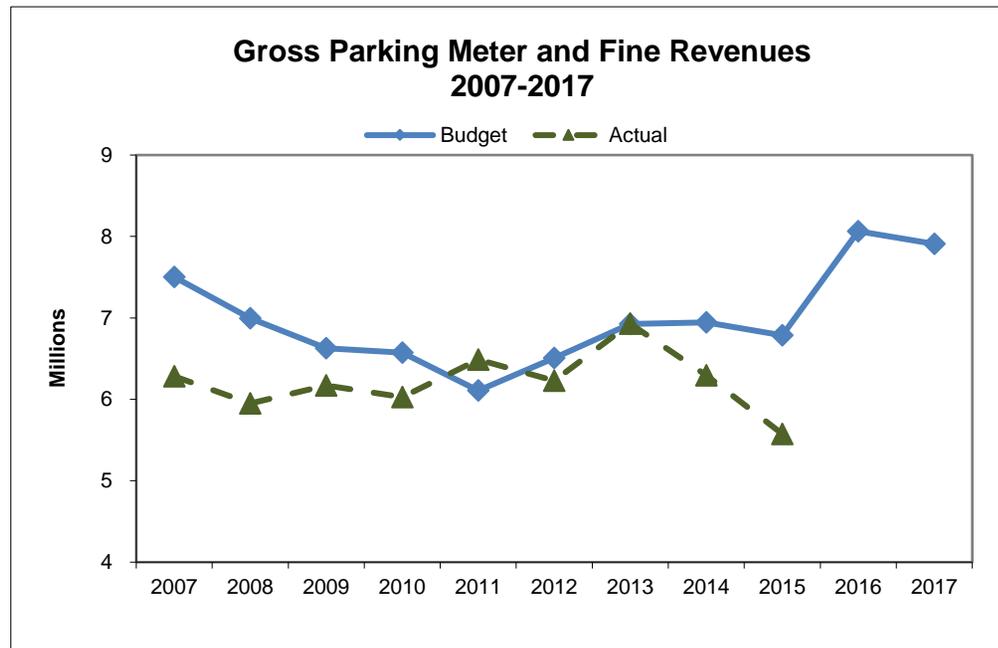

State aid is also given to support PERA, the pension fund that includes non-public safety City employees. In 2017, pension aids are expected to increase to \$7.91 million.

Parking Meters and Fines

Parking meters and fines include revenues from parking meter collections, fines from parking and traffic enforcement, as well as fees collected through the City's continuance for dismissal program. The City operates over 1,400 metered parking spaces in areas around St. Paul, and St. Paul Police enforce both parking rules and the state's traffic laws on St. Paul streets and highways. Meter payments are collected by a contracted vendor on behalf of the City, and fines are collected through the state court system. The courts retain 1/3rd of the revenue to cover costs, and the remainder is transferred to the City. In 2014 the State of Minnesota changed the way Continuance for Dismissals operated causing fewer people to chose using it as an option leading to a reduction in revenue. Fiscal year 2017 is expected to continue to have increased parking meter revenue due to an increase in meter rates.

Interest Earnings

The City's investment pool earns annual returns based on two key factors: the investment balance of the pool (total amount invested), and the performance of the market. Interest earnings in certain Special Funds have also been awarded to the General Fund in past years.

The City's Investment Policy sets guidelines and restrictions on investments based on the duration of those investments and their relative risk. Investment objectives are **safety, liquidity, return, and loss avoidance**. The investment pool is in compliance with the City's Investment Policy and State statutes. State law restricts the types of securities in which municipal governments may invest.

Hotel & Motel Tax

The City charges a 6% tax on all room charges in St. Paul, in addition to the state sales tax. For hotels and motels under 50 rooms, the tax is 3%. The tax rate is set by state law.

The receipts from the hotel and motel tax are divided among the City’s General and Debt Service Funds as well as the RiverCentre Convention and Visitors Authority (RCVA) and other City promotional efforts. Most of the revenue from the Hotel & Motel Tax is spent on efforts to promote the City as a destination for conventions and tourism, and to pay debt on visitor destinations like the RiverCentre. Of the 6% tax, roughly 1.65% goes to the General Fund to support City operations. In 2017, Hotel & Motel Taxes are budgeted to increase by \$146,790.

Department Summaries

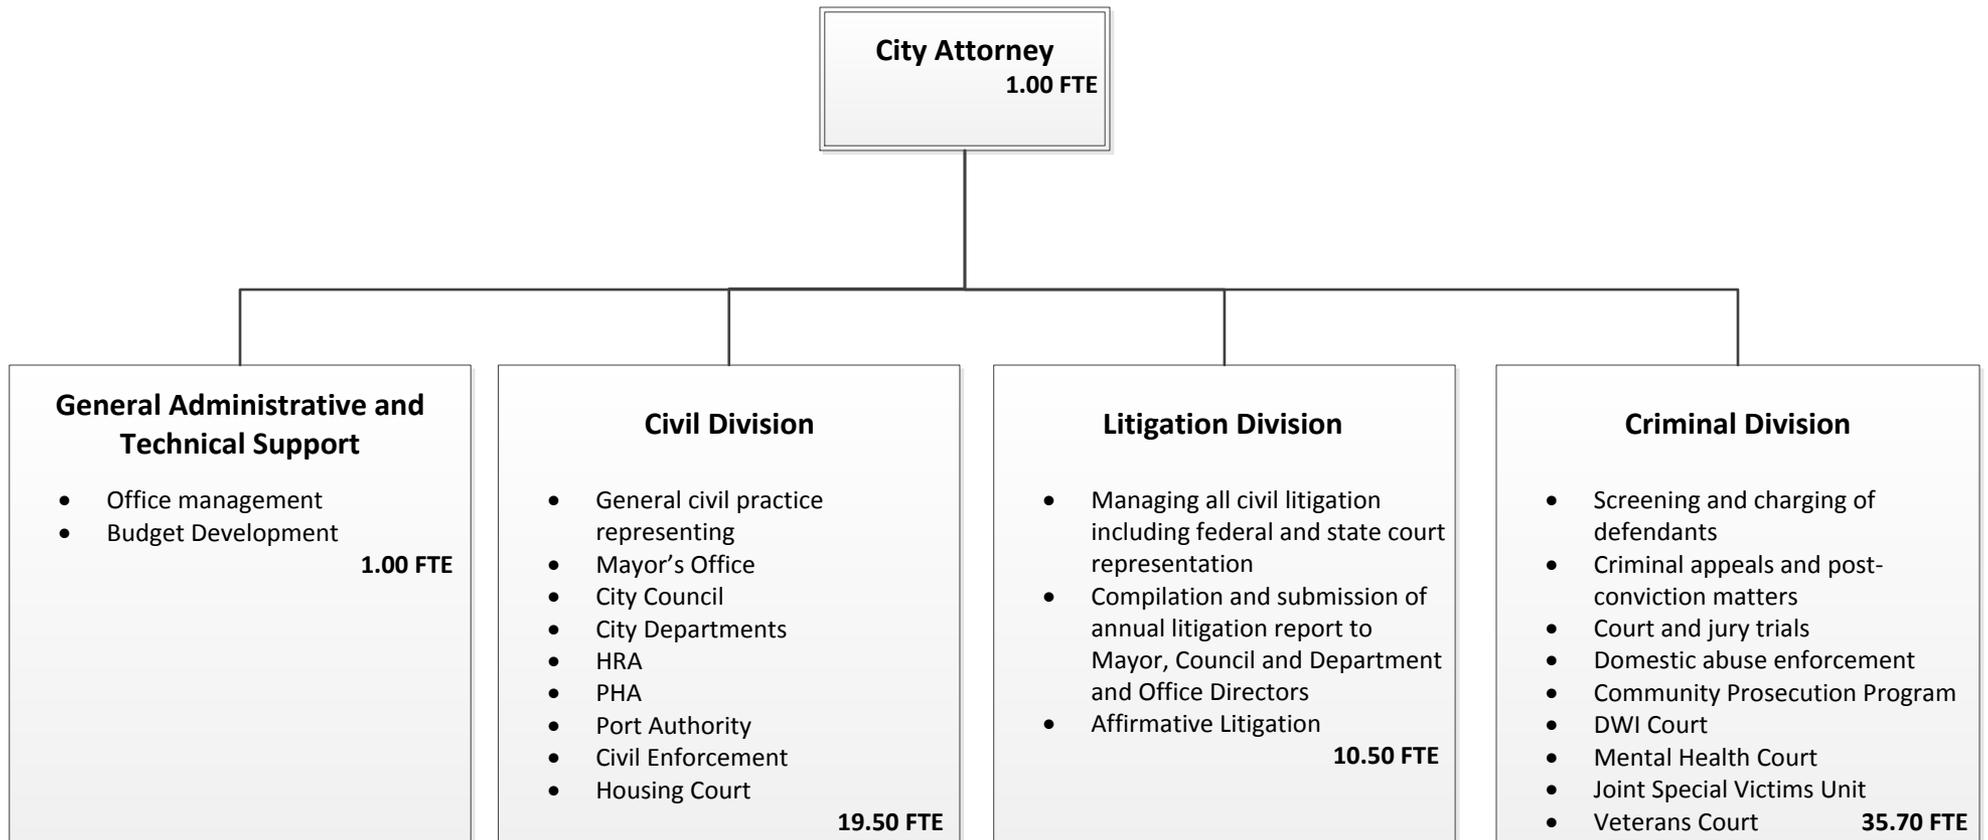

City Attorney's Office

Mission: The mission of the Saint Paul City Attorney's Office is to fulfill its duty to represent the city in its legal affairs with integrity, professionalism, and collegiality.

Integrity means that we are loyal to the interests of the city and the laws under which it functions.

Professionalism means that we are thorough and creative in representing the interests of the city, respectful of the public process in which we function and courteous to all those with whom we interact.

Collegiality means working together, and with the elected and appointed officials to the city, to continuously seek improvements to the quality of legal services and the efficiency with which they are provided.

Total (67.70 FTE)

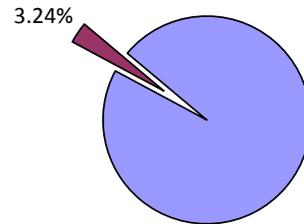

**2017 Adopted Budget
City Attorney's Office**

Department Description:

The Office of the City Attorney strives to deliver outstanding legal services to the City by:

- Providing sound legal advice and superior legal representation to City officials to help them achieve their goals.
- Defending the City in civil litigation matters, limiting the City's liability exposure by offering recommendations to reduce future risks and liabilities, and aggressively prosecuting civil claims involving the collection of taxpayer monies, public nuisance abatement, and other initiatives that preserve the City's livability and public safety.
- Providing public safety and maintaining the City's livability by effectively prosecuting adult misdemeanor and gross misdemeanor crimes in Saint Paul.

City Attorney's Portion of General Fund Spending

Department Facts

- Total General Fund Budget: 8,276,653
- Total Special Fund Budget: 1,469,942
- Total FTEs: 67.70
- The criminal division handles over 11,000 misdemeanor and gross misdemeanor cases per year.
- Legal settlements and judgments paid in 2015 total \$629,900.
- The civil litigation division defends approximately 95 cases each year.
- In 2015, 60% of the civil lawsuits concluded during the year were resolved by obtaining favorable judgments or dismissals without any payments by the City.

Department Goals

- Aligning CAO resources to City and departmental priority outcomes.
- Holding criminal offenders accountable.
- Improving neighborhoods by increasing code compliance and by decreasing nuisance properties.

Recent Accomplishments

- Served vulnerable victims in designated high lethality domestic cases via the Joint Special Victims Unit.
- With the addition of two victim witness coordinators, designed and implemented a more comprehensive approach to serving crime victims involved in cases prosecuted by the CAO.
- Continued leadership in addressing racial disparities in the criminal justice system, as well as the continued leadership on race equity within the CAO by way of the CAO's Change Team.
- The St. Paul diversion calendar, started in 2015, continued to successfully offer alternatives to conviction for qualifying low-risk offenders. Since March 2015, 248 criminal defendants have had their cases diverted.
- Ramsey County veterans treatment court graduated 5 participants in 2016.
- Ramsey County DWI court graduated 7 participants in 2016.
- Ramsey County mental health court continues to be a national learning site. The court has graduated 5 participants in 2016.

Budget Changes Summary

The 2017 budget for the City Attorney's Office (CAO) includes a new grant from the Minnesota Department of Public Safety's Office of Justice Programs to support direct services to crime victims, including one full-time and one part-time Victim Witness Specialist. Additionally, the 2017 budget continues to fund the Victim Witness Advocate added in 2016, in order for CAO to continue ensuring that victims' rights are fulfilled throughout the criminal justice process and honor its commitment to extensive victim engagement under the terms of the St. Paul Blueprint for Safety. Other spending changes in the CAO's 2017 budget are largely due to current service level updates and small staffing changes.

Emergency Management Organization

To save lives, preserve property, and protect the environment during emergencies and disasters through coordinated prevention, protection, preparation, response and recovery actions.

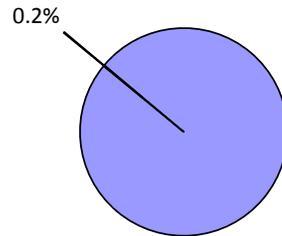

(Total 8.00 FTE)

**2017 Adopted Budget
Emergency Management**

Department Description:

Emergency Management provides services to the community through education, training, outreach, and disaster response. Emergency Management is charged with creating the framework to reduce vulnerability to hazards and cope with disasters. Emergency Management protects communities by coordinating and integrating all activities necessary to build, sustain, and improve the capability to mitigate against, prepare for, respond to, and recover from threatened or actual natural disasters, acts of terrorism, or other man-made disasters. The department also provides critical services to other city departments through obtaining and managing grants, providing equipment, training, planning, and coordination of response to large-scale incidents and emergencies. Emergency Management includes significant pre- and post-disaster activities, including preparedness, prevention, response, and recovery. The department also coordinates emergency assistance for disaster response under statewide and inter-state mutual aid agreements.

**Emergency Management's
Portion of General Fund
Spending**

Department Facts

- Total General Fund Budget: \$428,047
- Total Special Fund Budget: \$1,604,616
- Total FTEs: 8.00
- The department continues to manage the planning, training, and exercise requirements for Federal and State regulations. The federally-driven Threat Hazard Identification and Risk Analysis (THIRA) is a major assessment of the risks and capabilities of the city.
- The department manages 47 specific planning requirements from the State of MN. The city Emergency Operations Plan must address over 100 specific items.
- The Homeland Security/Emergency Management Program is much more than the individual department tasked with carrying out the program – it is the coordination of these disciplines that enables success for the community.

Department Goals

- Goal 1 - Implement a world class “Community Emergency Management Program.”
- Goal 2 - Perform effective grants management and financial administration.
- Goal 3 - Maintain and improve emergency management facilities and infrastructure.
- Goal 4 - Maintain and improve levels of target capabilities performance.
- Goal 5 - Achieve and maintain emergency management accreditation program (EMAP) compliance.

Recent Accomplishments

- Response (EOC Activations) for major events, such as Red Bull Crashed Ice/Winter Carnival, protest activities, Presidential/Vice Presidential visits, and severe storms.
- Prepare and publish a Weekend Update and a Weekly Roll-Up to support citywide information sharing.
- Training and Exercises:
 - Conducted Multi-Agency Training Courses in EOC Operations & Functional Exercise with 35 city staff & partners.
 - Conducted course - "Safety Evaluation of Buildings after Terrorist Incidents, Wind Storms & Floods" for the SP DSI DART Teams.
 - Conducted MGT 335 - "Event Security Planning for Public Safety Professionals" course for 50 participants.
 - MGT 340 Crisis Leadership and Decision-Making Course for Senior Officials.
 - Coordinated SPFD HAZMAT members to train with MN National Guard 55th CST unit.
 - Coordinated SkyWarn Training for 108 people from City, Schools, County and State.
- Provided multiple training opportunities in required subjects – 15 offerings, serving 300 city staff and 200 partner agency staff.

Financial Services

Mission: Manage the City's financial resources and assets to ensure taxpayers' confidence, the organization's effectiveness and the City's fiscal integrity.

(Total 47.80 FTE)

1.95 FTE included in this total are budgeted in Debt Service

12/28/16

**2017 Adopted Budget
Office of Financial Services**

Department Description:

The Office of Financial Services (OFS) plays a vital role in supporting city operations. OFS provides services in four key areas:

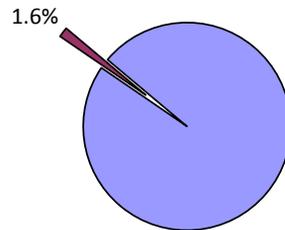

Budget and Innovation prepares, implements and monitors annual operating, debt service and capital budgets; provides fiscal analysis and projections for the Mayor and City Council; provides management, guidance, and facilitation support to city-wide innovation projects.

Accounting and Business Support ensures that all financial transactions and accounting practices conform to generally accepted accounting principles, state law, and city administrative code and policies; provides business support to city departments related to the implementation, administration and maintenance of the COMET project.

Treasury manages and invests the City's cash resources to earn market rate of return; and manages the City's debt portfolio to ensure competitive rates and timely repayment.

Real Estate Management Services provides property acquisition and disposal services, property management, facility design, space planning, and construction management; facilitates energy conservation efforts; and processes assessment approvals, billings, and collections.

Financial Services' Portion of General Fund Spending

Department Facts

- Total General Fund Budget: \$3,933,030
- Total Special Fund Budget: \$19,108,245
- Total FTEs: 47.80
- Saint Paul's operating, capital and debt service budgets total over \$579 million.
- Saint Paul is one of only 215 municipalities nationally with a AAA bond rating.
- OFS manages over \$250 million of cash balances and \$550 million debt portfolio.
- OFS processes over \$250 million of annual payments to vendors.
- OFS annually processes \$50m+ in assessment and service charges against 83,000 parcels of land.

Department Goals

Ensure strong management of the City's financial resources and assets through:

- Accurate financial reporting.
- Strong bond ratings.
- Investment practices that preserve our financial assets.
- Proper Management of the City's debt burden and policy driven fund balances.
- Use of special assessments to finance capital construction and maintenance.
- Responsible management of city facilities planning and management.

Recent Accomplishments

- Received the Government Finance Officers Association (GFOA) Certificate of Achievement for excellence in reporting for the 38th consecutive year.
- Maintained the city's AAA bond rating from Standard and Poor's and Fitch Ratings due to a diverse economy, strong financial management and improving debt burden.
- Successfully sold GO, "Green" Sewer Revenue and lease revenue bonds (\$28.5 million YTD in FY16), with historically low interest rates, using various financing tools.
- Led the collaboration with Bloomberg What Works Cities to bring best-in-class open data, performance management, results-driven contracting practices to Saint Paul.
- Supported the Public Works Transformation Initiative which dramatically improved winter street maintenance services, communication and organizational design.
- Successfully led the effort to participate in the Living Cities City Accelerator program to support the development of green stormwater infrastructure in new development projects.

Budget Changes Summary

The Fire Department's adopted general fund budget allows the department to continue building out a three-year apprenticeship program for Fire Medic Cadets. By adding this training program Fire is able to complete the EMS Academy-BLS Unit-Fire Medic Cadet-Fire Medic career pathway. Also included in the 2017 general fund budget are one-time resources to conduct a firefighter test and to pilot a health and wellness program. Additional changes in the 2017 adopted budget include a revision of paramedic fee revenues as well as the inclusion of unspent balances from several grants.

Special fund changes for 2017 include a one-time increase to the fire vehicle replacement program as well as carryforward from unspent grant funding.

General Government Accounts

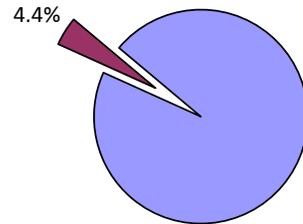

To budget for services provided on a city-wide basis and not directly associated with an opening department or office.

**2017 Adopted Budget
General Government Accounts**

Department Description:

General Government Accounts represent spending activities that exist across the city, but are not necessarily assignable to a specific department. Functions include the city's share of employee benefits; city-wide tort liability costs; city elections; outside legal services; the civic organization partnership program; district councils and neighborhood crime prevention programs; support for financial forms and reports used by all city departments; the city-wide financial audit; maintenance and upkeep of City Hall; costs of the Charter Commission and Capital Improvement Budget committee; and resources for city-wide innovation & technology investment.

**General Government Accounts'
Portion of General Fund
Spending**

Department Facts

- Total General Fund Budget: \$11,010,609
- Total Special Fund Budget: \$3,646,273
- Total FTEs: -
- Annually receive an "unqualified" opinion on the city financial audit.
- Support 17 citizen participation districts and 25 neighborhood crime prevention organizations.
- The city occupies 35% of the City Hall - Courthouse facility.

Department Goals

- Support city-wide functions and initiatives through the proper allocation of resources.
- Ensure that the city-wide fringe benefit budgets fully account for the cost of employee benefits.

Recent Accomplishments

- Managed workers' compensation costs within allocated budgets.
- Working with the city's labor union representatives, city staff have continued to actively manage employee benefit costs.
- Allocations for city-wide technology needs provided a financial foundation for investments, like the City Operations Modernization and Enterprise Transformation (COMET) project, and upgrading the city's network infrastructure.

Budget Changes Summary

The General Government Accounts budget includes general fund support for the public safety fleet replacement program. The General Government budget also includes a contingency line item to cover the City's costs associated with the earned sick and safe time ordinance, which was under City Council review at the time of the 2017 budget proposal.

The budget includes several changes to major general revenues, which are recorded in General Government Accounts. Changes to property taxes, Local Government Aid (LGA), franchise fees, and pension aids are all included in the 2017 budget. See the "Major General Fund Revenues" section for more detail.

The special fund budget makes several investments in the City's technology infrastructure, including: upgrading fleet management software and the AMANDA case management system, mobile application development, and continued upgrades to the City's internet.

Mayor's Proposed Changes**Contingency (Earned Sick & Safe Time)**

At the time of the release of the 2017 proposed budget, the City Council was in the process of reviewing an earned sick and safe time (ESST) ordinance. If approved, the ordinance will require employers in St. Paul to extend earned sick and safe time to all employees. The 2017 budget includes contingency resources for a Business Assistance Specialist to coordinate ESST implementation and enforcement. The budget also includes additional personnel costs to extend earned sick and safe time to city staff who do not currently accrue sick time. Funding for both items is included in general government contingency, pending the final outcome of the ESST ordinance.

Citywide Technology and Innovation			
The General Government Accounts special fund includes budget authority for several citywide technology projects, including the ongoing costs of maintaining the recently replaced wide area network (WAN) and local area network (LAN). Several new technology projects are also funded in the 2017 budget, including: replacing the fleet management software used across the City, upgrading the AMANDA case management system, developing mobile applications, further investments in business intelligence and open data, and improved mapping capabilities.

Citywide Asset Management			
The 2017 budget carries forward unspent resources from 2016 to finish the asset management project on city-owned capital assets. This work will include a comprehensive condition assessment that will result in the ability to more effectively prioritize capital improvement resources and align investments with strategic objectives related to our built infrastructure.

Budget Changes Summary

The 2017 adopted budget for Human Resources includes increased funding for employee recruitment, as well as one-time resources for the administration of a firefighter exam. The funds dedicated to employee recruitment align with the City of Saint Paul's racial equity goal of having a workforce that mirrors the population of Saint Paul. The 2017 budget also removes the one-time resources added to the central services fund in 2016 to upgrade the city's workers compensation software system. Other changes in the 2017 budget are largely due to current service level adjustments.

2017 Adopted Budget

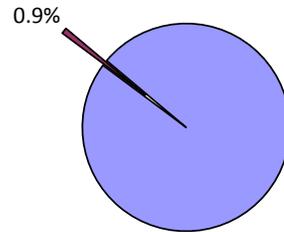

Department of Human Rights and Equal Economic Opportunity

Department Description:

The Department of Human Rights and Equal Economic Opportunity (HREEO) champions justice and equity by confronting issues of discrimination and providing innovative avenues for accessibility and economic opportunities for all residents and businesses. HREEO's major functions include:

- Procurement (Contract & Analysis Services)
- Print/Copy/Design Services
- Contract Compliance & Business Development
- Human Rights
- Racial Equity

HREEO's Portion of General Fund Spending

Department Facts

- Total General Fund Budget: \$2,323,905
- Total Special Fund Budget: \$2,413,449
- Total FTEs: 29.50
- The Procurement division processed and managed over 150 solicitation events, 550 contracts, 4,500 purchase orders and \$150 million in contract dollars.
- Human Rights investigators opened 67 new cases, closed 67 cases and collected \$49,250 in probable cause settlements for individuals filing complaints. The majority (73%) of cases were related to allegations of employment discrimination.
- CERT database has over 1,400 certified vendors, making it the most extensive vendor database in the region for small, women and minority-owned businesses.
- Over \$1 billion in construction projects were monitored for minority and female workforce inclusion.

Department Goals

- Champion justice and equity by confronting issues of discrimination and providing innovative avenues for accessibility and economic opportunities for all residents and businesses.
- Be a thought leader to cultivate anti-discriminatory practices through creative partnerships and effective community engagement.
- Analyze the current marketplace for underutilization of small, women, and minority owned business enterprises in accordance with the Vendor Outreach Program.

Recent Accomplishments

- HREEO's Procurement and Compliance divisions hosted their first annual Procurement Fair specifically to present vendor opportunities and engage businesses, especially small, women and minority-owned businesses (SWMBE's) about upcoming opportunities to do business with the city.
- River Print successfully completed 3,024 work orders for print-related services.
- The department's Vendor Outreach Program exceeded its SWMBE inclusion goals. More than \$111 million was awarded to small businesses including \$95 million to women-owned businesses and \$35 million to minority-owned businesses.
- Partnered with the HREEO Commission, American Indian Chamber of Commerce, Native American Community Development Institute and American Indian businesses and residents to celebrate the first annual "Indigenous Peoples Day."
- The department, in collaboration with other city departments and agencies, participated in more than 50 outreach events.
- Partnered with local colleges and organizations to offer construction skills training, workforce development courses and business development initiatives.

Budget Changes Summary

The Department of Human Rights and Equal Economic Opportunity continues to work to better position itself to achieve its goals of developing a diverse workforce; developing stronger contract compliance efforts; and enhancing human rights outreach and impact services to the community. General Fund changes reflect moving responsibility of the Police Civilian Internal Affairs Review Commission (PCIARC) from Police to HREEO., as well as increasing purchasing staff to improve strategic purchasing efforts. General Fund changes also include the addition of a Business Assistance Specialist to implement and enforce the new Earned Sick and Safe Time ordinance. Changes in General Government Special Projects reflect the carrying forward of remaining resources from the 2016 disparity study. The Riverprint budget is adjusted to reflect services provided to Ramsey County. Other changes in the budget are due to current service level adjustments.

Disparity Study

City ordinance requires a disparity study be in place that identifies the underutilization of small, minority-owned and women-owned business enterprises for the City of Saint Paul and Saint Paul Housing and Redevelopment Authority (HRA). The study was updated in 2016 using one-time resources, which are removed for 2017.

Staff adjustments

As HREEO's Purchasing division has expanded its advance planning, competitive bidding and price negotiations, the City has benefitted from cost savings related to more effective contracts. In order to continue improving service delivery at the best price possible, an additional buyer position is being added, which is funded by capital project administrative resources.

Prevailing Wage Monitoring				
<p>The City is required by federal, State and local law to monitor prevailing wages and business inclusion on a significant number of projects. Because of increased project activity over the last several years, the cost of the monitoring database is increasing commensurately. The 2017 budget is adjusted to reflect current actual costs incurred to use the monitoring database.</p>

Mayor's Office

Mission: To direct the operation of the city and assure that city government is effective and accessible for all Saint Paul's residents, businesses and visitors.

(Total 16.00 FTE)

12/28/16

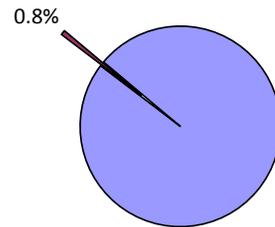

**2017 Adopted Budget
Mayor's Office**

Department Description:

The mission of the Mayor's Office is to make Saint Paul the Most Livable City in America through excellent constituent service, communications and outreach, innovative initiatives, and strong intergovernmental relations. The Mayor's Office oversees the operations of all City Departments and Offices to meet the needs of our residents, businesses and visitors.

- Provides effective and timely constituent service to all Saint Paul residents, businesses and visitors.
- Sets strategic vision for the City and directs departments and offices to meet goals accordingly.
- Represents the City before external public and private organizations such as the U.S. Congress, Minnesota Legislature, Ramsey County Board, Saint Paul Schools, etc.
- Pursues public and private partnerships to enhance service delivery to residents, businesses and visitors.
- Works to ensure that all residents, businesses and visitors are safe in Saint Paul.

Mayor's Office Portion of General Fund Spending

Department Facts

- Total General Fund Budget: \$1,940,790
- Total Special Fund Budget: \$554,388
- Total FTEs: 16.00
- Minnesota's Capital City has a population of approximately 297,640.
- Saint Paul is Minnesota's second most populous city.
- Saint Paul features more than 170 parks and open spaces.
- Saint Paul has more city shoreline on the Mississippi River than any other city.
- The MN Wild's "Stadium Experience" ranks 2nd out of 122 major league sports teams.
- The City has 52,000+ theater seats, 3 world class museums & vibrant grass roots arts.

Department Goals

- Strengthening and growing the middle class.
- Emphasizing equity in all city operation and policies.
- Ensuring strong, out-of-school time learning opportunities for all.
- Making Saint Paul the most livable, workable city in America.
- Creating responsible, balanced budgets and strong financial footing for the city.

Recent Accomplishments

- Strengthening and growing the middle class through job pipelines such as Right Track, which placed more than 600 young people working in internships this summer alone across more than 100 worksites in a variety of industries. Of those Right Track workers, 93 percent are young people of color.
- Ensuring a focus on sustainability and creating vibrant places and spaces, such as the work that has begun on the most comprehensive bike plan ever to be passed in the City of Saint Paul, specifically on segments of the city's new Grand Round, a 27-mile scenic parkway that will safely connect people to parks, nature, neighborhoods and businesses.
- Continued focus on equity and strong, out-of-school time learning opportunities for our youth, such as the city's Community Ambassadors program, which places ambassadors on the street to work with our officers to divert the youth in our city from risky behaviors and connect them with jobs and programming at our libraries and recreation centers.
- Setting a direction for culture and arts to drive growth and vibrancy, for example, the ongoing construction of Palace Theatre to become a music and performance venue in the heart of Downtown Saint Paul.

Parks and Recreation

Mission: To help make Saint Paul the most livable city in America, Saint Paul Parks and Recreation will facilitate the creation of active lifestyles, vibrant places and a vital environment.

Vision: Saint Paul Parks and Recreation will make Saint Paul the most livable city in America by: Responding creatively to change, innovating with every decision, and connecting the entire city.

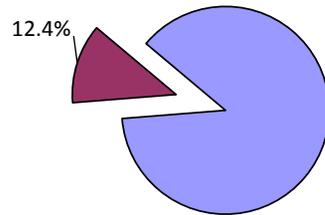

**2017 Adopted Budget
Parks and Recreation**

Department Description:

An award-winning, nationally accredited organization, Saint Paul Parks and Recreation provides a wealth of facilities, amenities, and activities for participants of all ages and abilities. Among these include: recreation centers that serve 2.5 million visitors a year, the world-renowned Como Park Zoo & Conservatory, CHS Field, several golf courses and aquatic venues, and hundreds of parks and athletic fields, courts, and rinks as well as hundreds of miles of trails and parkways. Saint Paul Parks and Recreation is also the proud home of Right Track, a youth employment initiative changing the face of Saint Paul, and the primary force behind the Great River Passage Master Plan, a citywide initiative created to make Saint Paul more urban, more natural, and more connected.

Mayor's Proposed Changes

EAB -- Parks and Golf Courses

The impact of Emerald Ash Borer continues to spread throughout the city's urban forest. Historically, new resources have been primarily dedicated to removal and treatment of affected trees within the city's right-of-way. An infusion of one-time resources will allow Parks to more aggressively remove infected trees within city parks and golf courses in 2017.

Adopted Changes

Parks & Recreation Programming

The 2017 adopted budget includes additional ongoing resources for recreation services in order to provide more relevant programs for teens, offer expanded facility hours in areas of high need and concentrated poverty, and address disparities in program access. These funds will go towards program outreach efforts, city-wide mobile programming, fee assistance, and extended hours at Eastview and Dayton's Bluff Recreation Centers.

Mayor's Proposed Changes**EAB - Right-of-Way (ROW)**

As the Emerald Ash Borer infestation continues to broaden its impact, the ROW budget includes a 3% rate increase dedicated to EAB-related tree removal, stump removal and replanting of trees in the Right-of-Way. Due to the number of ash trees in the city, it is expected that an additional 3% ROW increase will be needed in 2018 in order to achieve the goal of removing all remaining ash trees within the ROW and replanting a replacement tree by 2024.

To actively create opportunities and encourage investment for the benefit of Saint Paul residents and businesses, which preserve, sustain, and grow the city's diverse neighborhoods.

(Total 75.30 FTE)

2017 Adopted Budget

Planning and Economic Development

Department Description:

PED's mission is to actively create opportunities and encourage investment for the benefit of Saint Paul residents and business, which preserve, sustain, and grow the city's diverse neighborhoods. We accomplish this by assisting in the production of new housing; the rehabilitation and preservation of existing housing; providing mortgage financing to existing homeowners and new homebuyers; and strategic commercial and economic development investment. These actions are guided by careful neighborhood planning by professional planning staff, community collaboration, and inclusiveness. PED continues to build upon its past accomplishments, while looking forward to help establish Saint Paul as the Most Livable City in America.

Budget Changes Summary

Through the Housing and Redevelopment Authority, PED will continue supporting city functions in the General Fund such as HRA legislative support, citizen participation initiatives, intergovernmental relations, and staff from other departments working on city-wide projects. PED also supports the Minority Business Development program housed in the Department of Human Rights and Equal Economic Opportunity.

The 2017 budget includes adjustments to the City Sales Tax Fund, such as revised revenue and spending projections, as well as a one-time increase to the public safety capital program.

Police's Portion of General Fund Spending

Department Facts

- Total General Fund Budget: \$91,009,317
- Total Special Fund Budget: \$17,811,836
- Total FTEs: 769.90
- 2015 arrests: 9,663 (Adult and Juvenile).
- 2015 calls for service: 246,086.
- 2015 total Part 1 offenses: 12,105.
- 2017 proposed budget includes 615 sworn officers.
- With a population of 294,873, the number of full-time sworn employees per 1,000 inhabitants based on 615 sworn full-time positions - 2.1.

Department Goals

- Partner with our community to enhance Saint Paul's vitality and prosperity.
- Manage our resources for maximum results.
- Invest in our employees.
- Strengthen a culture that values trusted service and accountability. This includes the focus on hiring a diverse workforce that reflects the community we serve.
- Improve the safety and security of the capital city.

Recent Accomplishments

- Domestic violence citizen calls have decreased from 11,703 in 2009 to 5,865 in 2015 (-49.9%) since the implementation of the BluePrint project. The "Blueprint for Safety" continues to be an integral part of the department's strategy.
- Residential burglary declined from 1,963 in 2014 to 1,790 in 2015, an 8.8% reduction.
- Part I Crime was at its lowest rate since 2007 with 12,105 offenses. Part 1 crimes are down 3.0% from 2014 to 2015.
- Community outreach workers were utilized to address juvenile and young adult behavior and crime issues within the downtown area. This "Ambassador" initiative was very successful in identifying needs of juveniles and young adults who were loitering within the downtown area.
- The department obtained a grant from the State of Minnesota and has implemented the Violence Intervention and Prevention (VIP) program and is seeing success working with youth as part of that program.
- Overall crime (Part I and Part II) was down (-1.4%) from 2014. 2014 was 25,409 and 2015 was 25,039.

Budget Changes Summary

The Police budget includes an increase of 5 additional sworn officers to support policing and outreach efforts throughout the city. Furthermore, a new Community Engagement Unit is being formed, which will include 3 civilian employees who will work with communities of color to enhance engagement and outreach efforts. Two civilian staff were also added in the 2017 budget: a Forensic Scientist for DNA testing and fingerprint processing, and a position to audit data obtained via Automated License Plate Reader software. Finally, the budget includes planned reductions that are the result of the continued shift of Emergency Communication Center positions from the city payroll to Ramsey County.

License Plate Reader Data			
New legislative rules related to License Plate Reader (LPR) data call for strict audit requirements regarding the maintenance and retention of this data. The new position will help fulfill the new audit requirements and will also provide assistance in the Crimes-Against-Property unit to assist with media review (In-Car Camera, Body Cam, Stored video, jail calls, new data, etc.).

Emergency Communications Center			
The joint-venture between the City and Ramsey County for the Emergency Communications Center (ECC) allowed City employees to remain on the City payroll. When City staff leave employment, their replacements become Ramsey County employees resulting in a reduction in the City's staffing totals. The net effect for 2017 is a 13.0 FTE reduction to the City. This adjustment has no impact on service levels.

Records Management System				
The city's Records Management System has reached the end of its useful life and must be replaced to comply with new legal and technology requirements. The process to implement a new system, financed over several years, began in 2016. The upfront capital payment as well as an intra-fund transfer to pay the first year loan repayment have been removed for 2017.

Public Health

Department Description:

The Mission of the Saint Paul - Ramsey County Department of Public Health is to improve, protect, and promote the health, environment, and well-being of people in our community. In 1997, the City's public health function was merged, through a joint powers agreement, with Ramsey County's. The administration of this function now resides with the County. As resignations or retirements of City staff occur, the positions are filled by the County, and the City budget shows a decline in FTEs and dollars associated with paying their salary and benefits. All costs are reimbursed by Ramsey County and the County is responsible for the portion of the tax levy that covers these expenses. The City of Saint Paul does not levy for public health services.

Department Facts

- Total General Fund Budget: \$0

Budget Changes Summary

In 1997, the City's public health function was merged, through a joint powers agreement, with Ramsey County's. The administration of this function now resides with the County. As resignations or retirements of City staff occur, the positions are filled by the County. As City employees resign or retire, the City budget shows a decline in FTEs and dollars associated with paying their salary and benefits. All salary and benefit costs are reimbursed by Ramsey County and the County is responsible for the portion of the tax levy that covers these expenses. The 2017 adopted budget decreases by \$119,288 compared to the 2016 adopted budget.

250: Public Health

The Public Health fund includes salary and fringe benefit costs for the City's remaining Public Health employees. These costs are entirely reimbursed by Ramsey County.

Budget Changes Summary

The 2017 adopted budget for Public Works includes replacement of coin operated meters in the city's parking meter system and an increase in revenue due to parking meter rate adjustments. Several notable special fund changes are also included. The right-of-way fund includes new resources for annual bridge maintenance, and the sewer utility includes a volume rate increase of 3.5%, as well as an increase to the base fee to help support capital maintenance and the long-term health of the fund. The 2017 Mayor's Proposed budget included \$4,600,000 for the purchase of new wheeled recycling carts. The carts were purchased during the fourth quarter 2016 and the recycling cart purchase was removed from the Adopted 2017 budget.

Mayor's Proposed Changes

Parking Meter Rate Adjustments

The proposed budget includes a rate increase of \$0.25 per hour for all parking meters in the system. The rate increase will maximize the revenue generation from the parking meters and help sustain operations of the parking meter system. Event parking rates will remain the same.

Downtown and Capitol Coin Parking Meter Replacement

The proposed budget anticipates the continued modernization of Saint Paul's parking meter system. The modernization includes the replacement of all coin-operated parking meters and will be paid for by a one-time transfer from the Parking Fund. The coin-only meter replacements includes:

- Replacement of approximately 350 coin-only parking meters in the downtown area
- Replacement of 93 coin-only parking meters in the Capitol area on John Ireland Boulevard and Cedar Street

Pedestrian Safety Coordinator

The Pedestrian Safety Coordinator will work towards zero pedestrian related traffic fatalities. The City of Saint Paul strives to make the city friendlier and safer for pedestrians, which enables more residents and employees to choose walking as an active, sustainable, and affordable transportation mode. The two year position will work on city plans such as the Citywide Safe Routes to School and the Citywide Pedestrian Plan, as well as engage in community outreach. The position is predicated on receiving a grant award (application pending).

Automated Vehicle Locator (AVL) System Upgrade			
Public Works has determined that upgrading its AVL system will be an effective tool to help support the Department's mission of data informed decision-making. An AVL system provides real-time GPS location, use of vehicle, and other operational information. Having an upgraded AVL system is critical to reducing fuel costs, reducing liability, increasing supervisory efficiency, and increasing safety.

Parking Meter Collections			
Due to strong collections in the 2016 parking meter revenues, the City anticipates additional revenues in 2017. With the expansion of the parking meter system, an increased number of credit card meters have been installed. This has lead to additional credit card transactions leading to additional merchant service fees. The 2017 adopted budget incorporates an estimate of additional merchant service fees.

640: Sewer**Public Works**

The Sewer fund includes operating and capital maintenance budgets for the City's sanitary and storm water sewer systems.

	Change from 2016 Adopted		
	Spending	Financing	FTE
<u>Current Service Level Adjustments</u>			
In 2016, Public Works underwent a department-wide reorganization. The 2017 Sewer Utility budget reflects staffing and overhead shifts associated with the reorganization. Other current service level adjustments include employee contracts and debt service costs.

<u>Mayor's Proposed Changes</u>			
Infrastructure Investment			
The Sewer fund has a multi-year sewer construction and repair program that maintains the long-term health of the city's sewer fund. The program is funded through bond proceeds and the use of current assets. The capital construction program includes reconstructing sewer lines and lining of pipes.			
Infrastructure Construction and Repair	1,491,400	-	-
Subtotal:	1,491,400	-	-
Sewer Rates			
The sewer utility is a one billion dollar asset that requires constant investment to ensure the city's sewer infrastructure is properly maintained. The proposed budget includes a volume rate increase of 3.5% for both sanitary and storm water sewer fees. In addition to the volume rate, the budget includes an increase in the base fee to help fund the permanent fixed costs of maintaining the sewer network.

Safety and Inspections

Mission: To preserve and improve the quality of life in Saint Paul by protecting and promoting public health and safety for all.

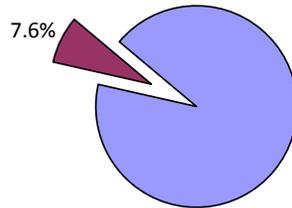

(Total 148.00 FTE)

**2017 Adopted Budget
Department of Safety and Inspections**

Department Description:

The Department of Safety and Inspections (DSI) is a proactive, multi-disciplinary agency that builds and maintains a livable Saint Paul community through strong leadership, creative partnerships, teamwork, and effective regulatory strategies. DSI’s responsibilities include: 1) Animal Control, 2) Construction Inspection, 3) Code Enforcement, 4) Fire Inspections, 5) Information and Complaint, 6) Business Licensing, 7) Construction Plan Review, 8) Site Plan Review, 9) Project Facilitation for new businesses and expansions, 10) Vacant Buildings, and 11) Zoning.

Safety & Inspections’ Portion of General Fund Spending

Department Facts

- Total General Fund Budget: \$19,134,293
- Total Special Fund Budget: \$739,732
- Total FTEs: 148.00

In 2015 DSI (% increase/decrease over 2014 values) :

- Administered 29,475 construction permits (1% ↑), total valuation \$747,615,022(17%↑).
- Conducted 60,707 construction inspections (5% ↑).
- Issued 4,118 business licenses (3% ↓).
- Conducted 11,784 Fire C of O inspections (14% ↑) and issued 4,343 certificates (12% ↑).
- Conducted 36,092 code (27% ↑) and 19,607 vacant building inspections (0% change).
- Responded to 4,607 animal related complaints (8% ↑).
- Managed 76,894 calls to our Information & Complaint line in 2015 (6% ↓).

Department Goals

- Ensure safety in our built environment.
- Prevent life and property loss.
- Promote safe neighborhoods.
- Continue to integrate and streamline workflow throughout the City.
- Make it easy to open or expand a business in Saint Paul.
- Improve citizen education and communication.

Recent Accomplishments

- Changed Charter and ordinance laws to allow for increased on-sale liquor licenses for restaurants.
- Collaborated with OTC to implement new software that allows inspectors to complete data entry and printing while in the field, increasing productivity.
- Implemented new reduced state building permit surcharge rate which provides DSI customers annual savings of approximately \$60,000.
- Implemented an additional residential C of O classification to help ensure most challenged residential rental properties are inspected more frequently.
- Improved the opportunity to hire people of color by increasing available entry level positions and partnering with the community to ensure job opportunities are reaching people of color. Hired first DSI Trainee in January 2016.
- Developed succession planning strategy to ensure anticipated vacancies align with the department's needs. Converted two mid-level Code Enforcement positions into three entry level positions and strategically repurposed clerical positions.

Budget Changes Summary

The 2017 adopted budget for the Department of Safety and Inspection (DSI) includes staffing changes to meet increasing demand in the zoning division. The increase of 3.00 FTE in DSI are offset by new revenue generated through a combination of volume increases in building permits and site plan reviews, as well as fee increases. There is also one-time resource to help fund the replacement of DSI's licensing data system and provide an improved customer experience in applying for and obtaining license and permits. Other changes in the 2017 budget for DSI are largely due to current service level adjustments.

<p>The 2017 budget includes one-time resources to help fund the replacement of DSI's licensing data system that is outdated and does not allow for any modifications or upgrades. A new licensing system will allow for a more convenient and easier online process of applying for and obtaining licenses and permits.</p>

Budget Changes Summary

The Office of Technology and Communications (OTC) will expand its work on business intelligence and open information in 2017. Through this ongoing investment, OTC will provide departments with better access to data generated from the City's disparate computer systems. Better access to interrelated data will allow city leaders to make data-driven policy decisions.

The special fund budget includes adjustments to remove one-time funding from 2016.

Glossary

Account Code. A five-digit code assigned to a specific type of receipt or expenditure. A major account code is a grouping of expenditures or receipts on the basis of the types of goods or services purchased or rendered. For example, personnel services, materials, supplies, and equipment are major account codes.

Accounting Unit (AU): An accounting unit is a subunit of a fund. Each fund contains one or more accounting units, a specific and distinguishable budgetary unit of work or service. Accounting units are detailed levels of budget spending authority created to accomplish the approved objectives of the fund.

Accounting Unit Number: An eight (8)-digit number which uniquely identifies the accounting unit. The first digit indicates the fund type, while the second digit indicates the department.

Allocation: A portion of a lump-sum appropriation which is designated for expenditure by specific organizational units or for special purposes. See *Appropriation*.

Appropriation: An expenditure authorized by the city council for a specified amount and time.

Assessed Valuation: The value that is established for real estate or other property by a government for use as a basis for levying property taxes.

Bond: A written promise to pay a specific sum of money (called the principal amount or face value) at a specified future date (called the maturity date) along with periodic interest at a specified rate.

Budget Document: The written record of the comprehensive financial plan the mayor presents to the city council for review, revision if deemed appropriate, and adoption.

Capital Allocation: Assignment of available capital (dollars) to specific uses.

Capital Expenditure: Actual spending of capital (dollars) for capital improvement projects.

Capital Improvement: The purchase or construction of durable/fixed assets. Examples include streets, bridges, parks or buildings.

Capital Improvement Budget (CIB): A plan for capital expenditures (physical development of the city) to be incurred each year, over a fixed number of years, in order to meet capital needs arising from the long-term work program.

Capital Outlay: Equipment, machinery, vehicles or furniture items included in the operating budget. See *Capital Improvement Budget*.

Capital Projects Fund: A fund established to account for all financial resources used for the construction or acquisition of major capital facilities, except those financed by special assessment, proprietary or fiduciary funds.

CIB: Acronym for capital improvement budget.

COMET: Acronym for City Operations Modernization and Enterprise Transformation, Saint Paul's technology improvement project. See *ERP*.

Debt Service Fund: A fund established to account for the financial resources used for the payment of long-term general obligation debt principal, interest, and related costs.

Division: An organizational subunit of a department. Each department has one or more divisions, which are responsible for one or more activities.

Encumbrances: Legal commitment of appropriated funds (in the form of purchase orders or contracts) to purchase goods or services to be delivered or performed at a future date. They cease to be encumbrances when paid or when the actual liability is created.

Enterprise Fund: A fund established to account for city operations that are financed and operated in a manner similar to private business enterprises. The intent is that the costs (expenses, including depreciation) of providing goods and services on a continuing basis be financed or recovered primarily through user charges.

ERP: Acronym for Enterprise Resource Planning, a document and information management system.

ETI: Acronym for Enterprise Technology Initiative. This is an activity in the Technology department in which spending and financing for city-wide technology improvements are budgeted.

Expenditures: Total charges incurred, whether paid or unpaid, including the provision for retirement of debt not reported as a liability of the fund from which it will be retired, and capital outlays (for governmental funds and fiduciary funds, except non-expendable trust funds) .

Expenses. Charges incurred, whether paid or unpaid, for operation, maintenance, interest, and other charges which benefit the current fiscal period (for proprietary funds and non-expendable trust funds). See *Expenditures*.

FMS or FM-80: Reference to the City of Saint Paul's financial management computer system. This system is planned to be retired in 2013 and replaced with the City's new ERP system.

FORCE: Acronym for focusing our resources on community empowerment. This is a unit within the Police Department dedicated to combat problems, at the neighborhood level, of street level narcotics, problem properties and disruptive behavior.

Fiduciary Fund: A fund established to account for resources held for the benefit of parties outside the government.

Financing Plan: Identifies sources of revenues that support the spending plan.

Full Time Equivalent (FTE): A personnel position which is financed for the equivalent of 80 hours per pay period, for 26.1 pay periods (a typical year), or 2,088 hours in a year. This is roughly equivalent to 40 hours per week for 52 weeks. For example, a .5 FTE would represent 20 hours per week for 52 weeks, or 40 hours per week for 26 weeks. A 1.0 FTE is a general reference to a position normally working for a year.

Fund: Each individual fund is a separate accounting entity having its own assets, liabilities, revenues and expenditures or expenses. City financial resources are allocated to, and accounted for, in individual funds based on legal, donor, or administrative restrictions or requirements.

Fund Balance: An equity account reflecting the excess of accumulated assets over accumulated liabilities and reserves (monies set aside for specific purposes).

Fund Manager: Fund managers are accountable to and receive authority from their department director and division manager, and ultimately from the mayor, the city council, and city residents/taxpayers. Each fund manager is responsible for correctly preparing and submitting the portion of the city's financial plan that is provided by their fund. This includes a properly completed budget request consisting of performance, spending and financing plans. Fund managers are responsible for monitoring the collection of receipts, authorizing spending payments, cash flow planning, and service delivery in accordance with the adopted plan. Fund managers are also responsible for forecasting significant performance, spending or financing variances, determining their cause, creating a solution, and reporting such information to their department director and the director of the office of financial services. See *Performance Plan*, *Spending Plan*, and *Financing Plan*.

Fund Number: A three-digit number which uniquely identifies the fund. For example, the General Fund is fund number 100, the city grants fund is 200, and the parks and recreation special projects is 260. There is no significance to the sequence of numbers. See *Activity Number*.

Fund Type: A classification of funds by similar purpose. The fund types are: governmental (general, special revenue, debt service, capital project, special assessment), proprietary (enterprise, internal service), and fiduciary (trust and agency funds). Although the city hall annex operating fund and the public works engineering fund are separate funds, they are the same fund type (internal service). See each fund type for its definition. Also see *Fund*.

GIS: Acronym for geographic based information systems.

General Fund: The fund used to account for all financial resources not specifically earmarked for other purposes. The General Fund is the primary operating fund for the City of Saint Paul.

Governmental Funds: All funds other than fiduciary and proprietary funds. Includes the general fund, special revenue funds, capital projects funds, debt service funds and special assessment funds. The measurement focus is on spending or financial flow rather than on net income. See *Fiduciary Funds* and *Proprietary Funds*.

Internal Service Fund: A fund established to account for the financing of goods or services provided by one city department to other city departments, divisions or funds on a cost-reimbursement basis.

LGA: Acronym for local government aid. See *State Aids*.

MSA: Acronym for municipal state aids. See *State Aids*.

Operating Budget: The annual operating budget is the primary means by which most of the financing, acquisition, spending and service delivery activities of a government are controlled.

Operating Transfer In/Out: Interfund transfers are legally authorized transfers between a fund receiving revenue and a fund where resources are expended.

PED: Acronym for the planning and economic development department.

Permanent Fund: A fund established to account for the custody and administration of assets held in a trust capacity. The assets held in a trust fund must be spent or invested in accordance with the conditions of the trust. Expendable trust funds are similar to governmental funds in that the measurement focus is on spending or financial flow rather than on net income. Non-expendable trust funds are similar to proprietary funds, with the measurement focus on determination of net income. See *Agency Fund* and *Fiduciary Fund*.

Proprietary Funds: Any fund which attempts to determine net income. Measurement focus is on cost of services similar to private sector for-profit organizations. This category includes enterprise and internal service funds.

Recoverable Expenditure: An expenditure made for, or on behalf of, another governmental unit, fund, or department, private individual, firm, or corporation which will, subsequently, be recovered in cash or its equivalent.

Retained Earnings: An equity account reflecting the accumulated earnings of an enterprise or internal service fund which are not reserved for any specific purpose.

Special Assessment: Charges which the local government collects from property owners to pay for specific services or capital improvement projects such as streets, sewers, etc., which benefit a particular piece of real estate.

Glossary – Continued

Special Revenue Fund: A fund established to account for the proceeds of specific revenue sources (other than special assessments, expendable trusts, and capital projects) that are legally restricted to expenditures for specified functions or activities.

Spending Plan: Provides a unit or subunit of an organization with spending authority to pay for the resources required to effectively accomplish the performance plan.

STAR: Acronym for sales tax revitalization program. This is also referred to sometimes as cultural sales tax revenue.

State Aids: The following are the major types of intergovernmental revenues received by the City of Saint Paul from the State of Minnesota:

Local Government Aid (LGA): Begun in 1971, this program was designed to provide indirect property tax relief through the redistribution of income tax and sales tax revenues collected at the state level to local units of government. The amount of funding received by local units of government is based on a distribution formula determined by the Minnesota State Legislature. The distribution formula is based on "need" as well as "capacity". The 2001 State Legislature rolled the Homestead and Agricultural Credit Aid into Local Government Aid.

Municipal State Aids (MSA). This program is financed by motor vehicle related taxes collected at the state level. The state gasoline tax is the largest revenue source and the dollars collected are constitutionally dedicated for expenses related to MSA routes. The revenues are redistributed back to municipalities of 5,000 or more residents to be used for construction and maintenance of their MSA designated routes.

Tax Increment District: A tax increment district is a designated geographical area where a city is undertaking redevelopment or development activity. Any increase in assessed valuation due to new development activity is captured by the district. Property taxes levied against those captured values are used to finance the public improvement costs incurred to induce the private development activity. Public improvement costs can be financed by issuing bonds or by a pay-as-you-go plan.
