### Additional Items to Consider Adding to an Emergency Supply Kit:

- Prescription medications and glasses
- Infant formula and diapers
- Pet food and extra water for your pet
- Important family documents such as copies of insurance policies, identification and bank account records in a waterproof, portable container
- Cash or traveler's checks and change
- Emergency reference material such as a first aid book or information from [www.ready.gov](http://www.ready.gov)
- Sleeping bag or warm blanket for each person. Consider additional bedding if you live in a cold-weather climate.
- Complete change of clothing including a long sleeved shirt, long pants and sturdy shoes. Consider additional clothing if you live in a cold-weather climate.
- Household chlorine bleach and medicine dropper – When diluted nine parts water to one part bleach, bleach can be used as a disinfectant. Or in an emergency, you can use it to treat water by using 16 drops of regular household liquid bleach per gallon of water. Do not use scented, color safe or bleaches with added cleaners.
- Fire Extinguisher
- Matches in a waterproof container
- Feminine supplies and personal hygiene items
- Mess kits, paper cups, plates and plastic utensils, paper towels
- Paper and pencil
- Books, games, puzzles or other activities for children

## Emergency Supply List

# FEMA

[www.ready.gov](http://www.ready.gov)

### Recommended Items to Include in a Basic Emergency Supply Kit:

- Water, one gallon of water per person per day for at least three days, for drinking and sanitation
- Food, at least a three-day supply of non-perishable food
- Battery-powered or hand crank radio and a NOAA Weather Radio with tone alert and extra batteries for both
- Flashlight and extra batteries
- First aid kit
- Whistle to signal for help
- Dust mask, to help filter contaminated air and plastic sheeting and duct tape to shelter-in-place
- Moist towelettes, garbage bags and plastic ties for personal sanitation
- Wrench or pliers to turn off utilities
- Can opener for food (if kit contains canned food)
- Local maps

Through its **Ready Campaign**, the Federal Emergency Management Agency educates and empowers Americans to take some simple steps to prepare for and respond to potential emergencies, including natural disasters and terrorist attacks. **Ready** asks individuals to do three key things: get an emergency supply kit, make a family emergency plan, and be informed about the different types of emergencies that could occur and their appropriate responses.

All Americans should have some basic supplies on hand in order to survive for at least three days if an emergency occurs. Following is a listing of some basic items that every emergency supply kit should include. However, it is important that individuals review this list and consider where they live and the unique needs of their family in order to create an emergency supply kit that will meet these needs. Individuals should also consider having at least two emergency supply kits, one full kit at home and smaller portable kits in their workplace, vehicle or other places they spend time.

# Are You READY!

## Electricity lights up our world!

Think of all the ways we rely on electricity: keeping food fresh, cooking meals, and getting information through the internet or TV. It keeps us warm in the winter, cool in the summer, and connected with each other year round. Oftentimes, we use electricity to play and have fun! Are you and your family ready if disaster strikes and your home is without power?

*How would we see at night without power?*

Help your family build an emergency kit! Collect these items and keep them together in a safe place that you can find easily. Make sure you have enough supplies to last for at least **three days**.

## Emergency Supplies List

- 3-day supply of non-perishable food (dried fruit, canned tuna fish, peanut butter, etc.)
- Can opener
- First aid kit
- Sleeping bag or warm blanket for everyone in your family
- Change of clothes to last 3 days, including sturdy shoes; consider the weather where you live
- Matches in a waterproof container (let a grown up handle these)
- Toothbrush, toothpaste, soap
- Paper plates, plastic cups and utensils, paper towels
- Water – at least a gallon per person, per day
- Battery-powered or hand-cranked radio with extra batteries
- Flashlights with extra batteries
- Cell phone with charger, extra battery and solar charger
- Whistle to signal for help
- Local maps
- Pet supplies
- Baby supplies
- Books, games or puzzles
- A favorite stuffed animal or blanket

*Remember, traffic lights will not work!*

**Go on a quest with your family!  
Create a scavenger hunt!  
Make planning fun!**
