Adam T Parker	SBE	8/25/2014	612-216-2573	info@mariner-ps.com	2355 Fairview Avenue #200	Roseville	Civil Engineering, Planning, Infrastructure Services, Environmental and Site Planning Services AdamsGabbert & Associates is a Kansas City-based professional services firm, specializing in strategic planning, process improvement, agile transition coaching, and project management. Additionally we are experts in strategic sourcing to help clients fill all of their staffing needs. We consult with our clients using a different model: we engage using agile principles, and focus on collaboration, creativity, and speed-to-value. Our small, nimble teams of consultants collaborate directly with clients, iteratively develop solutions together, and add value incrementally and efficiently. Clients seek us because we get results and keep their teams engaged.

APT Source Inc	SBE	4/1/2016	651-493-0039	vish@apt-source.com	6043 Hudson Rd Ste 399	Woodbury	Software and IT consulting and Analytics Projects Aragon Coleman & Swain is a paper wholesaler. We bring in paper in reels and sheet it to 8.5 x 11 copy paper reams. Our paper is uniquely eco-friendly in that it is composed of 60% wheat-straw and 40% FSC (Forest Stewardship Council) certified wood pulp. Since 60% fewer trees are cut to make our paper in the beginning and it is made of an agro-residue, wheat-straw, we believe we are one of the most eco-friendly papers available today. We thus can and do reduce the carbon footprint of virtually any business that uses our paper. ;

ecoEnvelopes, LLC	SBE	7/25/2019	612-605-4885	info@ecoenvelopes.com	607 Dayton Avenue	Saint Paul	Reusable envelopes for people, profits and the planet. An estimated 81.3 billion return envelopes can be eliminated each year with innovative, reusable ecoenvelopes. ecoenvelopes, LLC has engineered a proprietary portfolio of reusable, 2-way envelopes, labels and postage concepts that can eliminate return envelopes. Billing statements, subscription offers, donation requests and more can be sent in a single reusable ecoenvelope instead of two envelopes. Companies save 15%-45% on envelope and related mailing costs, they benefit from increased direct response rates (as high as 8%) and ecoenvelopes are socially responsible and good for the environment.

							HSC is a world leader in holographic printing. We offer a complete suit of services but not limited to pressure sensitive Holographic labels, Image design, Holographic Mastering, Recombining, Electroforming, Electrolytic Plating and Converting. Specializing in 2D, 3D, 2D/3D, Dot Matrix, 2 Channel and Stereogram holograms. Including added security features as hidden Covert images, E-Beam, Micro and Nano text, Mole text, Drop-ins, taggents and UV black light readable ink, along with overt security as overprinting and 4-color Process. We can print in register 5 colors plus white. ; ; We manufacture all of our labels in our own facility, eliminating the unpredictability of outsourcing.; ; Although Custom holography is our niche business, we offer a variety of Stock labels, Die cuts and Holographic patterns.

Queblo, Inc.	MBE	4/5/2020	952-210-4331	info@queblo.com	5705 Lake Rose Dr.	Minnetonka	Queblo is a bilingual community marketplace that connects workers, contractors and homeowners across the English - Spanish language barrier. We produce a mobile app for Spanish speaking contractors and workers that allows them to store a public profile and receive work requests and document the entire process that happens between them and their customers. At the end of their project they can invoice directly from the Queblo app and receive payment in their bank account.

Terrell Johnson	MBE	8/7/2016	763-607-3268	tjjockme40@gmail.com	9117 Cambrisge Ave	Brooklyn Park	Striving for success is not a program, but a movement that was created to establish a framework that has both intervention and prevention elements. Our goal is not only to help preserve the lives of Boys Totem Town youth, but to engage these youth in transforming the underlying conditions that generate violence and low self worth. We will work directly with the youth to re-structure their decision environments by healing the whole watershed, through a variety of functional interactive activities geared toward identifying and practicing best decision making processes. The youth at Boys Totem Town must be catalyst in facilitation of their personal development, therefore throughout Striving for Success and atmosphere of trust, encouragement and independency will be practiced allowing each youth to re-direct their own life's purpose causing personal, cultural and structural transformation

Vandy Moua	MBE	5/22/2016	763-443-8534	vandym21@gmail.com	374 Sanburnol Drive	Spring Lake Park	Finding ourselves through culture, unity and success (F.O.C.U.S) is a program designed to serve the Hmong clients at Boys Totem Town. The program incorporates individual, family and group programming for Hmong clients who are court ordered to BTT treatment. Staff will provide programming in Hmong Traditions and Culture and other related topics in relation to Hmong Culture. The objective of the program is to indentify cultural and personal strenghts to increase resiliency and mitigate the risks. Life skills training will help clients get a better understanding of career paths, employment, education and independent living skills. Parenting support group for the parents to help them understand and acknowledge the intergenerational gap with their children and develop healthy communication. The overall goal is to strengthen family bonds to counter the negative peer relationships among the clients and address the social desirability aspect as related to high risk behaviors.
