							Reusable envelopes for people, profits and the planet. An estimated 81.3 billion return envelopes can be eliminated each year with innovative, reusable ecoenvelopes. ecoenvelopes, LLC has engineered a proprietary portfolio of reusable, 2-way envelopes, labels and postage concepts that can eliminate return envelopes. Billing statements, subscription offers, donation requests and more can be sent in a single reusable ecoenvelope instead of two envelopes. Companies save 15%-45% on envelope and related mailing costs, they benefit from increased direct response rates (as high as 8%) and ecoenvelopes are socially responsible and good for the environment.
