When calling Police to report a “suspicious vehicle” please provide as much accurate information as possible including facts such as:

- Color?
- Make or model?
- Style?
- License Plate number?
- What state is the license plate from?
- Any identifying marks such as dents, scratches, rust, broken lights or windows, etc.

Give description of suspects if possible:

- What did they do?
- Which direction did they go?
- Any other witnesses?
- Can you provide the name, address, and/or phone numbers of other witnesses?

Answer only questions you are sure of – wrong information is worse than no information.
