The Fire Department's adopted General Fund budget allows the department to finish building out a three-year apprenticeship program for Fire Medic Cadets. By adding this training program Fire is able to complete the EMS Academy-BLS Unit-Fire Medic Cadet-Fire Medic career pathway. The TriData Study recommendations outlined in the 2018 Mayor's proposed Budget were removed during the Council phase of the budget process. The 2018 adopted budget also includes decommissioning Engine 13 through attrition and an investment in a Health and Wellness Program. The adopted budget also restores the firefighter test from contingency and removes the Health and Wellness pilot from contingency. The adopted budget also includes an increase in paramedic fee revenues as well as a one time investment in safety medical supplies.

Special fund changes for 2018 include a one-time increase in safety supplies.
