- With a population of 309,180 the number of full-time sworn officers per 1,000 inhabitants based on 630 sworn officers is 2.04. The national average is 2.4.

### Department Goals

- Improve health and safety in all Saint Paul Neighborhoods by:
  - Reducing gun violence
  - Focus policing initiatives on equity based values
  - Reduce crime through traditional and non-traditional policing initiatives
- Increase trust through engagement with the community we serve
- Diversify the police departments work force to reflect our community

### Recent Accomplishments

- The department reorganized in March of 2019, allowing for the creation of a new Community Engagement Division. This has allowed for engagement at historic levels.
- The department continues to build upon Law Enforcement Career Path Academy (LECPA), which is now in its third year of programming. The department is proud that nearly half of the 2019 fall police academy will be LECPA students.
- Building upon our diversity hiring goals, the 2019 fall police academy class is projected to be the most diverse ever hired by the department at 90%.
- Firearm discharges decreased from 1,370 in 2017 to 1,069 in 2018. This is an increase from the 679 firearms discharges in 2014. We continue to focus on strategies and partnerships to combat this quality of life and public safety issue.
- The department continues to increase its transparency and released a Use of Force report in 2019. Force was only used in 0.15 percent of the 570,409 recorded incidents in 2016 and 2017. There were no excessive force complaints made in 2017.
- The department published a new K-9 policy and conducted extensive training for the unit in 2019. These highly trained teams were certified in tracking subjects without a physical apprehension.
