Public Health

Department Description:

The Mission of the Saint Paul - Ramsey County Department of Public Health is to improve, protect, and promote the health, environment, and well-being of people in our community. In 1997, the City's public health function was merged, through a joint powers agreement, with Ramsey County's. The administration of this function now resides with the County. As resignations or retirements of City staff occur, the positions are filled by the County, and the City budget shows a decline in FTEs and dollars associated with paying their salary and benefits. All costs are reimbursed by Ramsey County and the County is responsible for the portion of the tax levy that covers these expenses. The City of Saint Paul does not levy for public health services.
