It is understood that this provision shall refer to the Bureau of Mediation Services only such issues as by law are under its jurisdiction.
- 2.3 The Employer shall not enter into any agreements covering terms and conditions of employment with the employees of the Bargaining Unit under the jurisdiction of this Agreement, either individually or collectively which in any way conflicts with the terms and conditions of this Agreement, except through the certified representative.

ARTICLE 2 – RECOGNITION (Continued)

- 2.4 Neither the Association nor the Employer shall discriminate against any Employee because of Association membership or non-membership, or because of his/her race, color, sex, religion, national origin, or political opinion or affiliations.
- 2.5 All existing Civil Service Rules shall apply except those superseded by this Agreement.

ARTICLE 3 – MAINTENANCE OF STANDARDS

- 3.1 The City agrees that all conditions of employment relating to wages, hours of work, overtime differentials, vacations, and general working conditions shall be maintained at not less than the highest minimum standard as set forth in the Civil Service Rules of the City of Saint Paul and Saint Paul Salary Plan and Rates of Compensation at the time of the signing of this Agreement, and the conditions of employment shall be improved wherever specific provisions for improvement are made elsewhere in this Agreement.
- 3.2 Civil Service Rules 8 and 14 shall not apply in regard to testing for classifications represented by this Association.

ARTICLE 4 – EMPLOYER SECURITY

- 4.1 The Association agrees that during the life of this Agreement it will not cause, encourage, participate in, or support any strike, slow-down, or other interruption of or interference with the normal functions of the Employer.

ARTICLE 5 – EMPLOYER AUTHORITY

- 5.1 The Employer retains the sole right to operate and manage all manpower, facilities, and equipment in accordance with applicable laws and regulations of appropriate authorities.
- 5.2 Any terms and conditions of employment not specifically established or modified by this Agreement shall remain solely within the discretion of the Employer to modify, establish, or eliminate.
- 5.3 The exercise by the Employer of, or its waiver of, or its failure to exercise its full right of management or decision on any matter or occasion, shall not be a precedent or be binding on the Employer, nor the subject or basis of any grievance not admissible in any arbitration proceeding.
- 5.4 A public employer is not required to meet and negotiate on matters of inherent managerial policy which include, but are not limited to, such areas of discretion or policy as the functions and programs of the Employer, its overall budget, utilization of technology and organizational structure, and selection and direction and number of personnel.

ARTICLE 6 – ASSOCIATION SECURITY

- 6.1 The Employer shall deduct from the wages of the employees who authorize such a deduction in writing an amount necessary to cover monthly Association dues. Such monies shall be remitted as directed by the Association.
- 6.2 The Association may designate Employees from the Bargaining Unit to act as stewards and alternates and shall inform the Employer in writing of such choices and of changes in the positions of stewards and/or alternates. It is further understood that the number and locations of stewards shall be limited and confined to numbers and locations as are necessary and reasonable to administer the provisions of this Agreement.
- 6.3 The Employer shall make space available on the employee bulletin board for the posting of Association notices and announcements.
- 6.4 The Association agrees to indemnify and hold the Employer harmless against any and all claims, suits, orders, or judgments brought or issued against the Employer as a result of any action taken or not taken by the Employer under the provisions of this Article.
- 6.5 The Employer agrees that on the Employer's premises and without loss of pay the Association stewards shall be allowed to post official Association notices of the designated representatives, to transmit communications authorized by the Association or its officers under the terms of this Agreement, and to consult with the Employer, its representative, Association officers, or the Association representative concerning the enforcement of any provisions of this Agreement, so long as such action does not interfere with regular employee duties and is reasonable and necessary.
- 6.6 Stewards are authorized to perform and discharge the duties and responsibilities which are assigned to them under the terms of this Agreement and any supplementary Agreements. The Employer agrees that there shall be no restraint, interference, coercion or discrimination against a steward because of the performance of such duties.
- 6.7 Any present or future employee who is not an Association member may be required to contribute a fair share fee for services rendered by the Association. Upon notification by the Association, the Employer shall check off said fee from the earnings of the employee and transmit the same to the Association. In no instance shall the required contribution exceed a pro-rata share of the specific expenses incurred for services rendered by the representative in relationship to negotiations and administration of grievance procedures.

This provision shall remain operative only so long as specifically provided by Minnesota law, and as otherwise legal. It is also understood that the Association agrees to indemnify and hold the Employer harmless against any and all claims, suits, orders, or judgments brought or issued against the City as a result of any action taken or not taken by the City under the provisions of this section.

ARTICLE 7 – EMPLOYEE RIGHTS – GRIEVANCE PROCEDURE

- 7.1 Definition of a Grievance – The procedure established by this Article shall be the sole and exclusive procedure for the processing of grievances which are defined as a dispute or disagreement as to the interpretation or application of the specific terms and conditions of this Agreement. It is understood by the Association and the Employer that if an issue is submitted and determined by this grievance procedure, that issue shall not again be submitted for arbitration under the provision of the Rules and Regulations of Civil Service. It is further understood that if an issue is submitted and determined by the grievance procedure under the Civil Service Rules and Regulations, it shall not again be submitted for arbitration under the procedures set forth in this Article.
- 7.2 Association Representatives – The Employer will recognize Representatives designated by the Association as the grievance representatives of the Bargaining Unit having the duties and responsibilities established by this Article. The Association shall notify the Employer in writing of the names of such Association Representatives and of their successors when so designated as provided by Article 6.2 of this Agreement.
- 7.3 Processing of a Grievance – It is recognized and accepted by the Association and the Employer that the processing of grievances as hereinafter provided is limited by the job duties and responsibilities of the employees and shall therefore be accomplished during normal working hours only when consistent with such employee duties and responsibilities.

The aggrieved Employee and an Association Representative shall be allowed a reasonable amount of time without loss of pay when a grievance is investigated and presented to the Employer during normal working hours provided that the Employee and the Association Representative have notified and received the approval of the designated supervisor who has determined that such absence is reasonable and would not be detrimental to the work programs of the Employer.

- 7.4 Procedure – Grievances, as defined by Section 7.1, shall be resolved in conformance with the following procedure:

Step 1 An Employee claiming a violation concerning the interpretation or application of this Agreement shall, within twenty-one (21) calendar days after such alleged violation has occurred, present such grievance to the Employee's supervisor as designated by the Employer.

The Employer-designated representative will discuss and give an answer to such Step 1 grievance within seven (7) calendar days after receipt. A grievance not resolved in Step 1 and appealed to Step 2 shall be placed in writing setting forth the nature of the grievance, the facts on which it is based, the provision or provisions of the Agreement allegedly violated, the remedy requested, and shall be appealed to Step 2 within seven (7) calendar days after the Employer-designated representative's final answer in Step 1.

ARTICLE 7 – EMPLOYEE RIGHTS – GRIEVANCE PROCEDURE (Continued)

- Step 2 If appealed, the written grievance shall be presented by the Association and discussed with the Employer-designated Step 2 representative. The Employer-designated representative shall give the Association the Employer's Step 2 answer in writing within seven (7) calendar days after receipt of such Step 2 grievance. A grievance not resolved in Step 2 may be appealed to Step 3 within seven (7) calendar days following the Employer-designated representative's final Step 2 answer.
- Step 3 If appealed, the written grievance shall be presented by the Association and discussed with the Labor Relations Manager or his/her designee. The Employer-designated representative shall give the Association the Employer's answer in writing within seven (7) calendar days after receipt of such Step 3 grievance. A grievance not resolved in Step 3 may be appealed to Step 4 within seven (7) calendar days following the Employer-designated representative's final answer in Step 3.

Optional Mediation Step

1. If the grievance has not been satisfactorily resolved at Step 3, either the Union or the Employer may, within ten (10) calendar days, request mediation. If both parties agree that the grievance is suitable for mediation, the parties shall submit a joint request to the Minnesota Bureau of Mediation Services for the assignment of a mediator.
2. Grievance mediation is an optional and voluntary part of the grievance resolution process. It is a supplement to, not a substitute for, grievance arbitration. When grievance mediation is invoked, the contractual time limit for moving the grievance to arbitration shall be delayed for the period of mediation. Either party may at any time opt out of mediation at which time, the Union may then proceed to arbitration.
3. The grievance mediation process shall be informal. Rules of evidence shall not apply, and no record shall be made of the proceeding. Both sides shall be provided ample opportunity to present the evidence and argument to support their case. The mediator may meet with the parties in joint session or in separate caucuses.
4. At the request of both parties, the mediator may issue an oral recommendation for settlement.
5. Unless the parties agree otherwise, the outcome shall not be precedential.
6. If the grievance is not resolved and is subsequently moved to arbitration, such proceeding shall be de novo, in that, nothing said or done by the parties or the mediator during grievance mediation with respect to their positions concerning resolution or offers of settlement may be used or referred to during arbitration.

ARTICLE 7 – EMPLOYEE RIGHTS – GRIEVANCE PROCEDURE (Continued)

Step 4 A grievance unresolved in Step 3 and appealed to Step 4 by the Association shall be submitted to arbitration subject to the provisions of the Public Employment Labor Relations Act of 1971 as amended. The selection of an arbitrator shall be made in accordance with the “Rules Governing the Arbitration of Grievances” as established by the Bureau of Mediation Services.

7.5 Arbitrator’s Authority –

- A. The arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the terms and conditions of this Agreement. The arbitrator shall consider and decide only the specific issue(s) submitted in writing by the Employer and the Association, and shall have no authority to make a decision on any other issue not so submitted.
- B. The arbitrator shall be without power to make decisions contrary to, or inconsistent with, or modifying or varying in any way the application of laws, rules, or regulations having the force and effect of law. The arbitrator’s decision shall be submitted in writing within thirty (30) days following close of the hearing or the submission of briefs by the parties, whichever be later, unless the parties agree to an extension. The decision shall be binding on both the Employer and the Association and shall be based solely on the arbitrator’s interpretation or application of the express terms of this Agreement and to the facts of the grievance presented.
- C. The fees and expenses for the arbitrator’s services and proceedings shall be borne equally by the Employer and the Association provided that each party shall be responsible for compensating its own representatives and witnesses. If either party desires a verbatim record of the proceedings, it may cause such a record to be made, providing it pays for the record. If both parties desire a verbatim record of the proceedings the cost shall be shared equally.

7.6 Waiver of grievances/missed timelines. If a grievance is: (1) not presented within twenty-one (21) calendar days of its occurrence by the employee as described in Step 1; or (2) arbitration has not been requested by the Association within sixty (60) calendar days of the Association’s filing of its written grievance in Step 2, it shall be considered “waived”.

If the Employer does not answer a grievance or an appeal thereof within the specified time limits, the Association may elect to treat the grievance as denied at the step and immediately appeal the grievance to the next step. The time limit in each step may be extended by mutual written agreement of the Employer and the Association in each step.

ARTICLE 8 – SAVINGS CLAUSE

- 8.1 This Agreement is subject to the laws of the United States and the State of Minnesota. In the event any provision of this Agreement shall be held to be contrary to law by a court of competent jurisdiction from whose final judgment or decree no appeal has been taken within the time provided, such provisions shall be voided. All other provisions shall continue in full force and effect. The voided provision may be renegotiated at the written request of either party. All other provisions of this Agreement shall continue in full force and effect.

ARTICLE 9 – SENIORITY

- 9.1 Seniority, for the purpose of this Agreement, shall be defined as follows:
- A. “City Seniority” – The length of continuous, regular and probationary service with the Employer from the last date of employment in any and all class titles.
 - B. “Class Seniority” – The length of continuous, regular and probationary service with the Employer from the date an Employee was first certified and appointed to a class title covered by this Agreement, it being further understood that class seniority is confined to the current class assignment held by an Employee.
- 9.2 Seniority shall terminate when an employee retires, resigns, or is discharged.
- 9.3 Seniority shall not accumulate during an unpaid leave of absence, except when such leave is granted for a period of less than thirty (30) calendar days; is granted because of illness or injury; is granted to allow an Employee to accept an appointment to the unclassified service of the Employer; or is granted to take an elected or appointed full-time position with the Association.
- 9.4 In the event it is determined by the Employer that it is necessary to reduce the work force, employees will be laid-off by class title within each division based on inverse length of “Class Seniority”. Recall from layoff shall be in inverse order of layoff, except that recall rights shall expire after two (2) years of layoff. In cases where there are promotional series, such as Supervisor I, Supervisor II, Supervisor III, etc., when the number of employees in these higher titles is to be reduced, employees who have held lower titles which are in this Bargaining Unit will be offered reductions to the highest of these titles to which class seniority would keep them from being laid off, before layoffs are made by any class title in any department.

It is further understood that a laid off employee shall have the right to placement in any lower-paid class title, provided said employee has been previously certified and appointed in said lower-paid class title. In such cases, the employee shall first be placed on a reinstatement register and shall have “Class Seniority” based on the date originally certified and appointed to said class. Employees may also apply for positions in a lower class but may, nevertheless, return to original class as provided in paragraph (A) above.

ARTICLE 9 – SENIORITY (Continued)

- 9.5 To the extent possible, vacation periods shall be assigned on the basis of “City Seniority,” within each class, by division. It is however, understood that vacation assignments shall be subject to the ability of the Employer to maintain operations.
- 9.6 Effective November 15, 2015, titles represented by this bargaining unit are no longer subject to Civil Service Rules 8.A.3 and 14 pertaining to promotion rights.
- 9.7 The Employer shall post a seniority list at least once every six (6) months.
- 9.8 Notwithstanding anything in this Agreement to the contrary, no employee in a position outside this Bargaining Unit may bump into a position in this unit, except as described here:
- 9.8 (1) an employee outside the unit may return to a vacancy in this unit if selected following prescribed procedures;
- 9.8 (2) an employee outside the unit may bump the most junior employee in a position previously held by the returning employee if a bumping right has been provided under the Tri-Council agreement to members of this unit;

and if provided, the rights of employees attempting to bump back into this unit shall be the same in every respect but shall not exceed those rights given to members of this unit by the Tri-Council contract.

ARTICLE 10 – DISCIPLINE

- 10.1 The Employer will discipline employees for just cause only. Discipline will be in the form of:
- a) Oral reprimand;
 - b) Written reprimand;
 - c) Suspension;
 - d) Reduction;
 - e) Discharge.
- 10.2 Suspensions, reductions, and discharges will be in written form.
- 10.3 Employees and the Association will receive copies of written reprimands and notices of suspension and discharge.
- 10.4 Employees may examine all information in their Employer personnel files that concerns work evaluation, commendations, and/or disciplinary actions. Files may be examined at reasonable times under the direct supervision of the Employer. No documents concerning work evaluation or discipline of an employee will be placed in the Employee’s personnel file unless it contains the signature of the Employee acknowledging the Employee’s receipt of the document prior to placing it in the file.

ARTICLE 10 – DISCIPLINE (Continued)

- 10.5 Discharges will be preceded by a five (5) day unpaid administrative leave. During said period, the Employee and/or Association may request, and shall be entitled to a meeting with the Employer representative who initiated the leave with intent to discharge. Following said five (5) day period, the Employer may discharge in accordance with Civil Service Rules or may modify, or withdraw same.
- 10.6 An Employee to be questioned concerning an investigation of disciplinary action shall have the right to request that an Association Representative be present.
- 10.7 Oral Reprimands may be grieved up to the third step of the grievance procedure, but are not subject to the arbitration provisions of Article 7.4. After one (1) year of no discipline from the date of an Oral Reprimand, said reprimand will not be used against the employee as part of any progressive discipline. Employees will be allowed to provide a written response to be attached to the oral reprimand in the personnel file if they so choose.

A night shift will be considered to be a shift beginning earlier than 6:00 a.m., or ending later than 6:00 p.m., provided that at least five (5) hours of said shift are worked between the hours of 6:00 p.m. and 6:00 a.m. It is further understood that in case of shifts beginning earlier than 6:00 a.m. or ending later than 6:00 p.m. which involve less than five (5) hours of work, an employee shall be eligible for the night differential only for the hours actually worked during night shift hours. Effective January 1, 2019, a night differential of six and one half percent (6.5%) on the regular rate of pay shall be paid for any work performed between the hours of 6:00 p.m. and 6:00 a.m.
- 11.5 Employees may decline to carry city cell phones, pagers, or beepers during non-working hours. In the event that the City directs an employee to carry city cell phones, pagers, or beepers to standby for non-working hours, the Employer and the Association shall establish a premium for such duty.
- 11.6 Notwithstanding Article 11.1 and 11.7, employees may, through mutual agreement with the Employer, work schedules other than schedules limited by the normal work day and work week as set forth in Article 11.1 and 11.7. Overtime compensation for employees working under such agreements shall be subject to the provisions, for same, as set forth by the Fair Labor Standards Act.

ARTICLE 11 – OVERTIME AND PREMIUMS (Continued)

ARTICLE 12 - UNIFORMS

- 12.1 The City shall furnish a uniform or required equipment to any employee who is required by the City to wear the uniform or utilize the equipment as condition of employment. Employees must present receipts to be reimbursed.
- 12.2 The following shall govern the payment of safety shoes. MEMORANDUM OF UNDERSTANDING
BETWEEN THE CITY OF SAINT PAUL &
THE SAINT PAUL MANUAL & MAINTENANCE
SUPERVISORS ASSOCIATION

The City of Saint Paul and the Saint Paul Manual & Maintenance Supervisors Association agree to the following:

ARTICLE 19.1 Working out of Classification, states;

Any Employee working an out-of-class assignment for a period in excess of fifteen (15) working days during any fiscal year (of the Employer) shall receive the rate of pay for the out-of-class assignment in a higher classification not later than the sixteenth day of such assignment.

The language states that an employee holding an out-of-classification position in excess of fifteen (15) working days will receive the rate of pay for the out-of-classification position. It is understood, that individual Departments have established different practices regarding where in the fifteen days the out-of-classification pay begins. The Departments will continue to exercise their individual discretion regarding the day to initiate the out-of-classification rate of pay, as long as it begins on, or before, the sixteenth (16) day.

Dear Dan and Ron:

This letter confirms our understanding made at the 2001-2002 round of bargaining regarding On Call Pay.

Article 11.7 of the collective bargaining agreement between the City and the SPMMSA makes it clear that employees may decline to carry city cell phones, pagers or beepers during non-working hours. The contract also indicates that, should the City begin directing employees to carry cell phones, pagers or beepers during non-working hours, the City and the SPMMSA must establish a premium for such duty.

It is the City's understanding that, currently, there are no SPMMSA employees being *required* to carry phones/pagers/beepers during non-working hours. As such, no premiums have been negotiated.

There are a number of employees who voluntarily carry phones/pagers/beepers during non-working hours, and/or answer their own home telephone *as they are able*. When such employees are actually called back to work, they are compensated according to the Call Back provisions of the contract.

While management retains the right to discuss issues of availability with an individual employee, it is understood that non-exempt staff who do not voluntarily answer the phone should not be disciplined in any way for that decision.

Sincerely,

Katherine L. Megarry
Labor Relations Director
