

CITY OF SAINT PAUL EARNED SICK AND SAFE TIME POLICY

Effective Date: January 1, 2017

Statement of Policy

It is the policy of the City of Saint Paul to ensure that all City of Saint Paul employees can address their own health needs and the health needs of their family members. For employees currently covered by the City of Saint Paul Civil Service Rules or a collective bargaining agreement, the provisions of this policy will run in tandem with other earned leave benefits available through the City of Saint Paul Civil Service Rules and/or collective bargaining agreements. Employees not covered by the Civil Service Rules or a collective bargaining agreement will be covered solely by this policy. This policy is effective January 1, 2017.

Reason for Policy

The purpose of the Earned Sick and Safe Time Policy is to comply with City of Saint Paul Ordinance 16-29, which provides for Earned Sick and Safe time for all workers in the City of Saint Paul.

Eligibility

Earned Sick and Safe Time is available to all employees employed by the City of Saint Paul. This includes Temporary and Part-time employees who work a minimum of 80 hours per year. Independent Contractors, employees covered by a Trades collective bargaining agreement, and Tri-Council Highway Heavy temporary employees are excluded from this policy.

Employees who earn leave under this policy may use such leave for themselves, or family members who are defined as the employee's child, step-child, adopted child, foster child, adult child, spouse, sibling, parent, step-parent, mother-in-law, father-in-law, grandchild, grandparent, or registered domestic partner, and any individual related by blood or affinity whose close association with the employee is the equivalent of a family relationship.

Provisions

Eligible employees shall begin earning Sick & Safe time for hours worked after the implementation of this policy; there is no credit for hours previously worked prior to the implementation of this policy. For every 30 hours worked (excluding overtime hours), an employee shall earn 1 hour of paid Sick & Safe time. The maximum amount of Sick & Safe time that can be earned in a calendar year is 48 hours. Employees may carry over Sick & Safe hours into the following year, up to a maximum of 80 Sick & Safe hours. Employees who are separated from the City will receive no financial benefit from the accrued Sick & Safe time balance. However, if an employee is rehired within 90 days of the separation, previously earned Sick & Safe time accruals that had not been used will be reinstated.

Use

Eligible employees may begin using accrued Sick & Safe time after an initial 90 days of employment. The use of Sick & Safe time is for previously scheduled hours. Employees utilizing Sick & Safe time must normally report such absences within 30 minutes of their start time unless otherwise specified by the applicable collective bargaining agreement. The City may require reasonable documentation of the use of Sick & Safe time absences. Fraudulent requests for use of Sick & Safe time is grounds for discipline, up to and including discharge.

Retaliation against eligible employees who request or use earned Sick & Safe time is prohibited. An eligible employee has the right to file a complaint with the Director of Human Resources if earned Sick & Safe time is denied or if the employee is retaliated against for requesting or taking earned Sick & Safe time. Complaints that are not resolved by the Human Resources Director shall be forwarded to the Civil Service Commission for hearing and determination.
