WHEREAS, Novel Coronavirus Disease 2019, commonly known as COVID-19, a respiratory disease that can result in serious illness or death, is caused by the SARS-CoV-2 virus, which is a new strain of coronavirus that had not been previously identified in humans and can easily spread from person to person; and

WHEREAS, the CDC has identified the potential public health threat posed by COVID-19, and has advised that person-to-person spread of COVID-19 will continue to occur; and

WHEREAS, Ramsey County has had multiple positive test results for COVID-19; and,

WHEREAS, on January 31, 2020, the United States Department of Health and Human Services Secretary Alex Azar declared a public health emergency for COVID-19, beginning on January 27, 2020; and

WHEREAS, on March 13, 2020 President Donald Trump declared that the COVID-19 outbreak in the United States constitutes a National Emergency; and

WHEREAS, on March 13, 2020, Governor Tim Walz declared a Peacetime State of Emergency to authorize any and all necessary resources to be used in support of the COVID-19 response; and

WHEREAS, the National Center for Disease Control and Prevention and the Minnesota Department of Public Health recommend that any individual with confirmed COVID-19 should remain under home isolation precautions until the risk of secondary transmission to others is thought to be low; and

WHEREAS, during this pandemic, it is possible that individuals who are not diagnosed with COVID-19 will be placed in quarantine to control or prevent further spread of COVID-19; and

WHEREAS, the necessary resources to respond to and recover from this pandemic will exceed those resources available within the City, and additional resources will be needed from Ramsey County, and state and federal sources;

NOW, THEREFORE, MAYOR MELVIN CARTER III, OF THE CITY OF SAINT PAUL DECLARES, REQUESTS, AND DIRECTS AS FOLLOWS:

- 1. Under the authority given in Minnesota Statutes 12.29, declares that a local emergency exists within Saint Paul, effective March 15, 2020, with all the powers and responsibilities attending thereto as provided by Chapter 12, Minnesota Statute, and Saint Paul Legislative Code, Chapter 13.**
- 2. Directs City departments to review ordinance and regulatory requirements, operations, civil and legal proceedings, events, and resources that can and should be adjusted or suspended, or to enact emergency regulations to support the residents of Saint Paul during the pandemic.**
- 3. Directs the Saint Paul Director of Emergency Management to request and coordinate appropriate aid and resources from surrounding jurisdictions, the Ramsey County Division of Emergency Management and Homeland Security, and the State of Minnesota, as needed.**
- 4. Declares, under Minn. Stat. 13.021, that in-person meetings of the City Council and other public bodies under the Mayor's jurisdiction where members of those bodies have been diagnosed with COVID-19 or are otherwise in quarantine or isolation in order to prevent the spread of COVID-19 are not practical or prudent because of the COVID-19 health pandemic and the emergency declared under Minn. Stat. Chapter 12 by Governor Walz.**

5. Requests the City Council convene an emergency session at its earliest convenience to discuss the situation and this declaration. This state of local emergency may not be continued for a period in excess of three days except by or with the consent of the Council of the City of Saint Paul.
