

## What is Right Track?

Right Track connects Saint Paul youth with meaningful training, work and career exploration opportunities so they are better prepared to thrive in the workforce.

Right Track was launched in 2014 by Mayor Chris Coleman in collaboration with Saint Paul Public Schools and the Saint Paul Area Chamber of Commerce to establish a pipeline of career development opportunities for Saint Paul youth.

Right Track operates out of the City of Saint Paul Department of Parks and Recreation, building on the department's long history of providing summer jobs for Saint Paul youth.
