

Resolution # 18-23
Conveyance of Landmark Plaza

PROJECT DESCRIPTION:

The parcel containing Landmark Plaza is currently owned by the Saint Paul Riverfront Corporation. The Riverfront Corporation has ceased operations and it no longer needs to own the subject parcel. As a result, the parcel is being donated to Saint Paul Parks and Recreation for continued use as a park.

STAFF COMMENTS:

Saint Paul Parks and Recreation has operated and maintained Landmark Plaza for several years under an agreement with the Riverfront Corporation. Conveyance of the parcel to Saint Paul Parks and Recreation will not change the current operations at the park. By accepting this parcel, the department receives the assurance that this parcel will continue to be available for use by the public.

REQUEST OF THE COMMISSION:

Approve the resolution recommending the conveyance of the parcel containing Landmark Plaza.

COMMUNITY CONCERNS:

No community concerns have been received on the proposal.
