

# CONCEPT DISCUSSION

1. What aspects of the current design concept do you like and why?

reorientation much better

dog park accessibility a problem

is financing contingent on bldg up.

2. How do you see your representative group using the park space?

how much spent

3. Other comments, Ackerberg - mto.

restrooms / semi

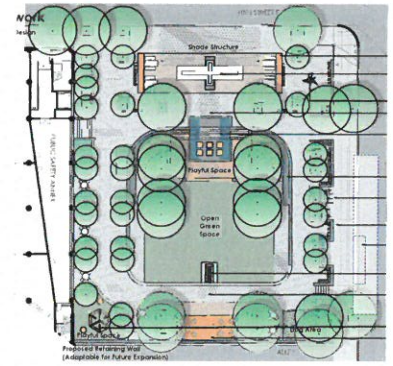

inaccessible dog park \ waste alley /  
materials - city clear paths /

# CONCEPT DISCUSSION

1. What aspects of the current design concept do you like and why?

*Thoughtful design -*

2. How do you see your representative group using the park space?

*Lunch  
Relax  
Events - Music Arts Meetings*
