

Feel ill? Stay home

Do not visit the park if you are sick, have symptoms of COVID-19, or are at a higher risk of illness.

Wash your hands

Wash your hands before and after visiting the park. Bring hand sanitizer and avoid touching surfaces.

Keep a 6ft distance

Stay at least six feet away from park users who are not part of your household. Share the trail and alert others when you're passing.

No group activities

Don't organize or participate in group or team activities with people who aren't part of your household.

Be prepared

Some services and amenities may be closed or modified. Go online or call us for the latest updates and information.

Listen to the experts

Know and follow current public health guidance. Check the CDC and MN Dept. of Health websites for the latest guidelines.
