The City of Saint Paul Softball Leagues will be governed by Official **USSSA Slowpitch**, with the following additions and/or exceptions:

### 1. **PLAYERS:**

- a. All players must be listed on a roster which should be submitted to the Park and Recreation Office before the first league game. Players must be age 18 or older as of April 1 of the current year.
- b. Players may not play on more than one team in the same league. A player can play on only one team during playoffs and post season play.
- c. The City of Saint Paul is not liable for injuries. Teams are strongly encouraged to carry their own team insurance.

### 2. **TIME LIMIT:**

**1 Hour Time Limit. The umpire will set start time during ground rules. No new inning will start 55 minutes after the game has begun.** If a game is tied at that point, it will end in a tie.

For teams playing the same team back-to-back: Both games will have a 1 hour minute time limit. If a game is tied at that point, it will end in a tie. If the first game is completed before the time limit, teams may begin playing the second game before or at their next scheduled game time. Teams and the umpire must be in agreement on starting the game before or at the scheduled time of the second game.

### 3. **FORFEIT POLICY:**

- a. All leagues must start a game with at least nine [9] eligible players. In Co Rec leagues, teams must have 5 women and 4 men to start the game. Teams may finish with nine players. Late players may be added to the bottom of the line up.
- b. For all leagues, the game will be forfeited ten [10] minutes after the scheduled starting time, if a team does not have the minimum number of players. The game time will be reduced by the number of minutes it started late.

### 4. **UNLIMITED BATTING / COURTESY RUNNERS RULE:**

All leagues are allowed to use the following unlimited batting rules:

- a. Unlimited batting rule allows teams to bat more than 10 players. When the unlimited batting rule is used in Co-Rec play, an even number of males and females must bat. Unlimited batting is optional, but if used, it must be made known to the umpire and opponents prior to the start of the game. If not used, teams must abide by the USSSA substitution rules.
  - b. Players must remain in the same position in the batting order for the entire game. Late players can be added to the end of the line-up.
  - c. If unlimited batting is used, they all must bat and any 10 can play defense. Defensive positions can be changed, but the batting order must remain the same. Players must be in the batting order to play a defensive position.
  - d. Players may be substituted for at any time, either by a pinch runner or pinch-hitter. The starting player who is substituted for can re-enter the game.
  - e. There will be unlimited courtesy runners. The runner must be the last batter out.
- During any tournaments – the USSSA Rule will apply. 1 courtesy runner per inning. If courtesy runner is still on base at the time of being up to bat, that spot in the batting order will be on out.

5. **NO DIG RULE:**  
Under no circumstance may a batter dig with any part of his/her body or other objects, move or disrupt any solid material within the confines of the batters box [loose material may be moved, but creating new loose material from packed ag-lime is a violation]. Penalty: There will be a team warning given on the first violation. Any further violations will result in an out for each occurrence.
6. **RUN RULE:**  
Run Rule: Any team having an advantage of 10 runs or more after 4 ½ or 5 innings of play will automatically terminate the game.
- FLIP / FLOP RULE:*** If the visiting team is leading by 10 or more runs after the 4<sup>th</sup> inning, the home team will remain at bat and become the visiting team. If the team (new visiting team) does not score enough runs to reduce the run difference below the run rule the game is over. If they reduce the run difference to below the run rule then the new home team will bat. If the new home team subsequently scores enough runs to exceed the run rule the game will be over. If the situation reverses, the teams would flip/flop again.
7. **BALLS & STRIKES:**  
Three [3] balls and two [2] strikes will represent a walk and strike-out, respectively, in all leagues (with a courtesy foul).
8. **HOME RUN RULE:**  
There is a three home run limit on fenced fields. Any home run in excess of the maximum will result in an out.
- A homerun is an untouched fair ball hit over the fence. A fly ball that is touched by a defensive player and goes over the fence in fair territory is a 4-base hit, but does not count as a homerun. Homeruns hit after a team's limit are outs.
