

## Snowsport Scholarship

December 2016

Let's get outside together! The **Como Park Snowsports Booster Club** is a nonprofit group that supports the city of St. Paul's snowsports programming for youth. Kids need a place in their community to get outside and play together. Being active helps reduce childhood obesity and getting outside with friends helps kids feel good about winter.

We started the **snowsport scholarship** program to encourage more St. Paul kids to get outdoors and to learn about downhill and cross country skiing and snowboarding at Como Park. The program aims to eliminate the economic barriers that snowsports may present by offering scholarships to reduce lesson costs. To qualify the participant must be a St. Paul resident and qualify for free or reduced-price school lunches. We provide **youth scholarships** lessons in three snowsports:

Cross country skiing

Downhill skiing

Snowboarding

- If snowsports are something you would like to try for **one day, clinics** are available December 28, 29 and 30.
- If you are ready for lessons, there is a session of **five weekly lessons** that begins the first week in January.
