Pedro Park 2018-2019
Community Design Advisory Committee

Project Goal: Develop a conceptual plan for Pedro Park as a part of the City's system of parks and open space and as an integral piece of downtown St. Paul's fabric

Committee Role

- Advise on community needs and desires for the site
- Bring suggestions from stakeholders to the project team
- Help communicate project progress to community members
- Provide guidance to City staff on final design recommendations for the project
- Ensure that the full range of park related issues are discussed during the design process

Expectations for Committee members include

- Represent and communicate the community needs and desires for the park site
- Respect for different perspectives
- Courtesy of one another
- Contribute in a positive way
- Attend every meeting or send a representative
