Annual Manager's Planning Retreat
Recreation Services Division
Gwen Peterson

Using the Parks and Recreation Vision Plan these are the key initiatives that the Recreation Services Division will focus on in 2018

Promote Active Lifestyles:
- Expand Express Fitness – Fitness on the Go
- Complete the implementation of healthy (food and beverage) in concessions in recreation centers and with affiliated groups (booster clubs).
- Expand outdoor programming in collaborations with Great River Passage

Create Vibrant Places:
- Increase Fitness Center memberships and overall usage of the fitness centers
- Complete the implementation of computer labs and recording studios in recreation centers located in ACP 50 areas

Promote a Vital Environment
- Implement environmental programming into recreation programming as a staple.
- Implement an employee recognition program in Recreation Services

Respond Creatively to Change
- Replace and increase programming equipment for citywide programming
- Address SPPS School start times and their potential effect on Muni Athletics/S'More Fun/Rec Check/After School Programming
- Monitor and assess the fee equity programming

Innovate with Every Decision
- Expand and refocus Adaptive programming
- Establish funding for year-round community/ youth engagement vehicle

Connect the Entire City
- Collaborate with a university to create programming to expose and prepare urban youth to college
- Address transportation needs in support of programming
