

Resolution # 16-05
Rice Park Revitalization – Donor Recognition Plan

PROJECT DESCRIPTION:

The Rice Park Revitalization Committee proposes to recognize donors of \$10,000 and above with appropriate and modest signage to be installed in Rice Park following completion of the construction as part of the Rice Park Revitalization Project for City owned Rice Park within Ward 2, District 17, on the block bordered by 4th Street, 5th Street, Washington, and Market Street.

STAFF COMMENTS:

The Rice Park Revitalization Committee has over 50% of their fundraising goal to raise \$1,350,000 in private funding. They have shown exceptional dedication to this project to make the capital improvements to the beloved and well-used Rice Park in Downtown St. Paul. The donor recognition proposal acknowledges the private gifts that have been given generously for a public space.

REQUEST OF THE COMMISSION:

Adopt Resolution # 16-05 recommending approval.
