Tennis/Basketball Courts
Future walk connection - consider linking play area to this walk
Horseshoe pits rarely used - consider removing and could provide area for play picnic area
Lone picnic table has poor access. Consider more tables with better accessibility
Trees in poor health - Consider replacing
Maintain view of wall mural
Keep equipment of 2-5 and 5-12 year old children separated
Tree roots are heaving sidewalk. Need to repair or realign walk
Maintain view of play area from building
Accessible route to building is indirect - consider more direct route
Maintain existing trees for shade
Outdated park sign should be replaced
Provide protection between street and play area

Existing walk is in good condition. If walk is realigned, it could be used to separate play areas.
