Feel ill? Stay home
Do not visit the park if you are sick, have symptoms of COVID-19, or are at a higher risk of illness.

Wash your hands
Wash your hands before and after visiting the park. Bring hand sanitizer and avoid touching surfaces.

Keep a 6ft distance
Stay at least six feet away from park users who are not part of your household. Share the trail and alert others when you’re passing.

Be cautious
Follow current "Stay Safe MN" guidelines for group activities. Avoid participating in unnecessary activities with people who aren’t part of your household.

Use at your own risk
Amenities are available for use at your own risk. Some amenities may be closed. Go online or call us for the latest updates and information.

Listen to the experts
Know and follow current public health guidance. Check the CDC and MN Dept. of Health websites for the latest guidelines.
