

Pathway to Success: Women of Color Entrepreneurs

Strategic partners Central CERT, Wells Fargo, the Federal Reserve Bank of Minneapolis, and Connect2Capital are hosting a small business workshop focused on women of color entrepreneurs. Come and engage a panel of women business owners in active discussion as they share their entrepreneurial experiences of navigating the different stages of small business growth.

Following the panel, there will be breakout sessions with small business experts and resources that will dive deeper into topics including but not limited to access to credit, credit repair, business law, and government certification and contracts.
