

February 27, 2020 Hillcrest Public Engagement

Heights Community Center, Thursday, 4-6pm

The second in a series of pop ups We spoke to about 20 people. The goal of the engagement was to inform the community about the project, and to get feedback about what people like in their community now, and where they see their neighborhood in ten years and fifty years. We had the Dream Big board to collect people's thoughts, as well as a kid's activity of making monsters. We spoke mostly to kids, but a few parents and staff stopped by to chat with us as well.
