The City of Saint Paul is updating its comprehensive plan – a forward-thinking vision that will guide the city's development over the next 30 years.

### WE WANT TO HEAR FROM YOU

We need you to help shape the future of Saint Paul.

Join us for an upcoming session where we explore your creative ideas to make our city thrive for the next 30 years.

### THINK BOLD. BE INNOVATIVE.

There's no such thing as a crazy idea.

- What makes Saint Paul special?
- How can we attract people from other regions?
- How do we make Saint Paul more welcoming to people of all backgrounds and abilities?
- How do we modernize our city without losing its historic charm?
- How can we improve our neighborhoods?
