

OPEN HOUSE FOR REIMAGINE THE RAILWAY: Studying new uses for the Ford Spur

Please join us for an open house to learn more about the design concepts for the Ford Spur and discuss the next steps for the project moving forward. The Ford Spur is a rail line that once served the Ford Motor site from downtown Saint Paul. The study and design concepts presented at the open house examine opportunities to redevelop the 5-mile railway corridor for walking and bicycling, taking into consideration its potential future use as a transit corridor. You will hear more about project progress, design concepts, and will have a chance to give the City your thoughts on what excites you the most about the project and what concerns you have as the project advances. **We hope to see you there!**

WHERE: **West 7th Community Center**
265 Oneida St, St. Paul, MN 55102

WHEN: **Thursday, March 1st** from 6:00 p.m. – 7:30 p.m.
6:00-6:30 – *Open House*
6:30 – *Brief Presentation and Q&A*
7:00-7:30 – *Open House*
Bring the kids! Activities will be provided.

Can't make it? **Visit the project website to learn more about the project and upcoming events:** www.stpaul.gov/FordSpurStudy
