

HILLCREST REDEVELOPMENT MASTER PLAN COMMUNITY ADVISORY COMMITTEE (CAC)

Meeting #3
Tuesday December 17, 2019

AGENDA

Co-chairs:
Anne DeJoy &
Linda Martinez-
Higgins

- Welcome & Introductions
- Process status (Bill Dermody)
- Plan for community engagement (consultant team)
- Policy/technical priorities from Technical Advisory Committee + Port
 - o Initial priorities
 - o Where they came from
 - o How they will be used
 - Inform draft concept plans
 - Help direct community engagement to most useful topics
 - Where policy is wide open
 - Where policy is general and needs specificity for this site
 - Identifying any key conflicts between community priorities and set policy could be helpful, but most of these policies are pretty solidly set – be realistic about any such conflicts that arise
 - o What is the best way to convey these priorities to the community in order to gain good input?
