Dayton's Bluff Recreation Center, 800 Conway St

Thursday, January 16, 2014

4 - 7 PM

Planning Commission Public Hearing

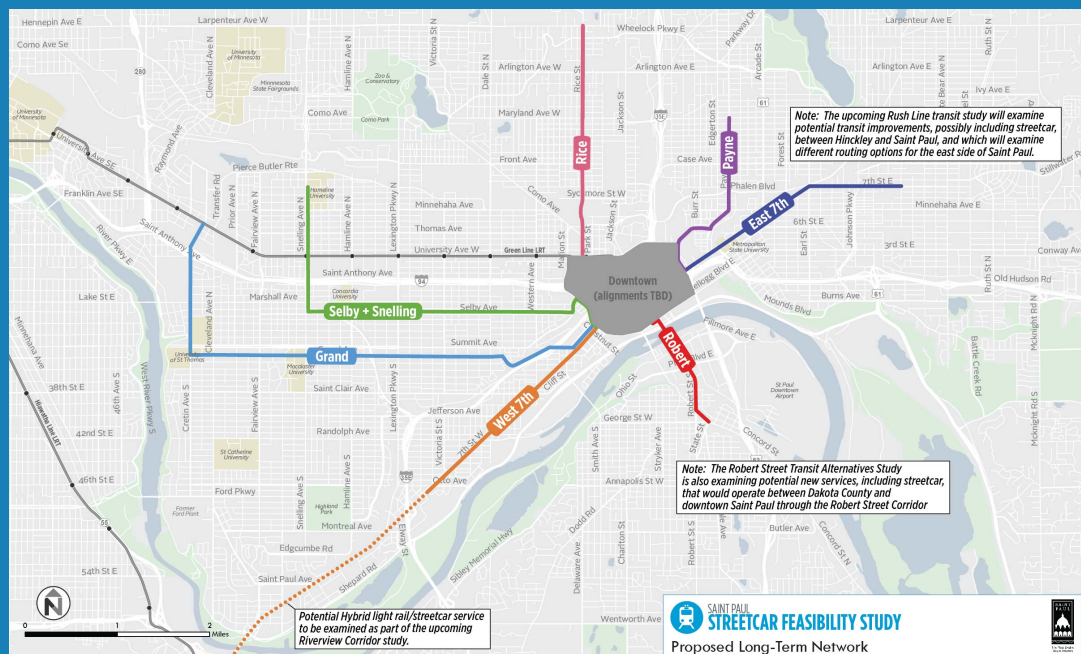

Saint Paul City Hall Basement, Rm 40

Friday, January 24, 2014

8:30 AM

To improve transit service and strengthen economic development opportunities, the City of Saint Paul has studied the feasibility of building streetcar lines. The proposed line to study further is East-West 7th.

For more information about this study, please visit the City of Saint Paul's website: www.stpaul.gov/streetcars
