

# JOIN US!

Help the **City of Saint Paul** develop design concepts for Jackson Street and further refine the Downtown bicycle network!

Workshop activities will include:

- » Protected bikeway layout and concepts on Jackson Street from Shepard Road to 11th Street
- » Look and feel (materials, landscaping, and branding) for Jackson Street and the Downtown bicycle network
- » Further assessment of alignments and concepts for the Downtown bicycle network

## JACKSON STREET PROTECTED BIKEWAY & DOWNTOWN BICYCLE NETWORK DESIGN WORKSHOP

**Open Studios Tuesday, June 9<sup>th</sup>, 2015 from 4:00 PM to 6:00 PM**

**Wednesday, June 10<sup>th</sup>, 2015 from 11:00 AM to 1:00 PM**

Metro Square Building: 121 East 7<sup>th</sup> Place, Saint Paul  
Basement Level Conference Center

Drop in at either Open Studio event to learn about the project and see the progress that has been made so far.

**Public Workshop Thursday, June 11<sup>th</sup>, 2015 from 5:00 PM to 7:00 PM**

Metro Square Building: 121 East 7<sup>th</sup> Place, Saint Paul  
Lower Level Conference Center

Come participate in a facilitated community workshop, view a brief presentation about project updates and share your ideas about the Jackson Street design concepts and the Downtown bicycle network with project staff.

**We look forward to engaging with you at these events!**

This project implements the recently adopted Saint Paul Bicycle Plan. Funding comes from the 8-80 Vitality Fund, which aims to ensure infrastructure, streets and public spaces function for residents of all ages and abilities.
