

Community Meeting: *Ford Transportation Study*

The City of Saint Paul and the Highland District Council invite you to hear about the findings of a recent preliminary transportation study of anticipated Ford site redevelopment. Learn about key strategies to manage future vehicle trips and recommendations to enhance the quality and safety of walking, biking and transit options in the Highland Village area and on the future site.

NOTE: This meeting is a follow-up to the November 14th meeting about Zoning and Public Realm, providing more detailed information on how the transportation study is informing the overall framework for the site.
