Information is organized by neighborhood number and case number. Incident totals are in the summary at the end of the report.

This report contains incidents for the following categories: Homicide, Rape, Robbery, Agg. Assault, Burglary, Theft, Auto Theft, Arson, Domestic Assaults, Vandalism, Narcotics, Firearm Discharges, Community Engagement Events and Proactive Police Visits. Community Engagement Events are scheduled outreach opportunities. Proactive Police Visits (PPVs) are officer initiated interactions with residents and/or businesses. PPV's are not a response to 911 calls. Statistics displayed do not reflect official crime index totals and may change after full investigation.

In keeping with the police department's philosophy on community policing, the need to work with each of the 17 neighborhoods is vitally important and necessary. Information on crime trends, neighborhood issues and safety concerns must be distributed to each neighborhood and members of the public in order for the police and community to be effective at combating crime. It is with this cooperation that the police, district councils, and the community are able to work together and successfully confront crime and safety issues in our city.
