

COMO AVENUE TRAIL

Raymond Avenue to Hamline Avenue

Project Update

SEPTEMBER 9, 2020

Hamline Avenue intersection closure

Beginning Wednesday, September 16, the intersection at Como Avenue and Hamline Avenue will be closed to facilitate reconstruction of the intersection. This closure will last for one week and allow crews to complete storm sewer installation, sanitary sewer repair, water main service repair, hydrant replacement, and curb installation in the intersection. Como Avenue traffic will be detoured to Midway Parkway. Local access will be maintained both from the north and south on Hamline Avenue (see detour map).

Construction progress

Como Avenue between Raymond Avenue and Snelling Avenue

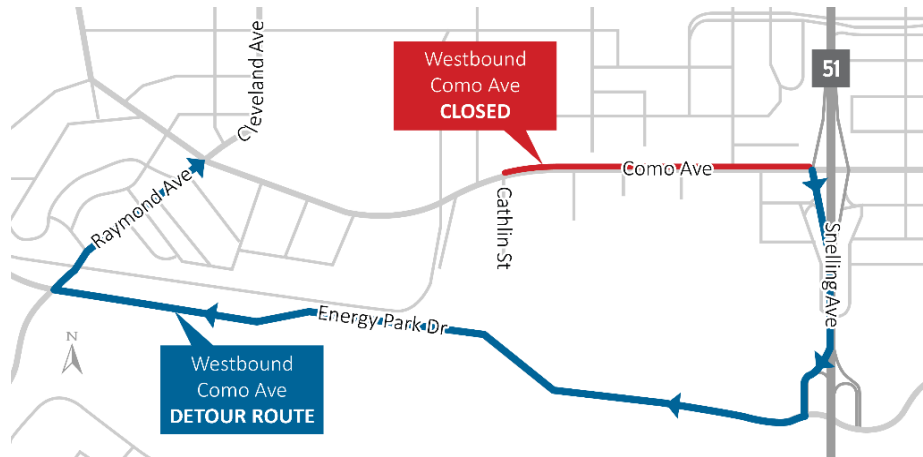

Westbound Como Avenue from Snelling Avenue to Cathlin Street remains closed as crews continue work in the area. Traffic is detoured to Snelling Avenue, Energy Park Drive, and Raymond Avenue (see following detour map). Updates to work in the area:

- Pavement, curb, and sidewalk removal on the north side of Como Avenue between Raymond Avenue and the U of MN Transitway is nearly complete. Roadways and driveways are being maintained with gravel.
- Hydrant replacements are scheduled between Raymond Avenue and Fifield Avenue on Thursday, September 10. Saint Paul Regional Water Services will notify impacted properties of water service interruptions.
- Storm sewer installation and roadway grading is ongoing at Gibbs Avenue.
- Curb installation and trail grading continues between Cathlin Street and Snelling Avenue.

COMO AVENUE TRAIL

Raymond Avenue to Hamline Avenue

Westbound vehicle detour from Como Avenue using Energy Park Drive

Como Avenue between Snelling Avenue and Arona Street

Traffic on Como Avenue has shifted to the south side of the roadway between Snelling Avenue and Arona Street. Updates to work in the area:

- Pavement has been placed at the Snelling Avenue ramps.
- Sanitary sewer services and water services are complete.
- Grading work continues in preparation for curb installation along the north side of the roadway.
- Sidewalk on the north side of Como Avenue remains in-place for local business access.

Como Avenue between Arona Street and Hamline Avenue

The roadway remains closed to through traffic until mid-October. Additionally, local roads have been closed between Arona Street and Hamline Avenue to prevent cut-through traffic (refer to the detour and access map for more information). Updates to work in the area:

- Roadway grading and placement of sand subgrade and gravel is ongoing this week.
- Excavation for stormwater infiltration trenches at Arona Street and Hamline Avenue will begin the week of September 14.
- Sidewalk removal and grading for the trail and new sidewalk on the north side of Como Avenue will start next week.
- Sanitary sewer manhole lining and repairs are ongoing.
