JOHNSON PARKWAY REGIONAL TRAIL

Construction update, Volume 7: September 1 – September 8, 2020

WHAT'S HAPPENING

- North end of Johnson Parkway:
 - Installing stone veneer on retaining wall north of Ames Avenue
 - Concrete curb and gutter to be installed north of 7th Street
 - Roadway grading to start north of 7th Street
 - Intersection paving is complete at Magnolia Avenue and at Ames Avenue – waiting for concrete to cure
- Middle section of Johnson Parkway:
 - Electrical conduit being installed south of 7th Street
 - Storm sewer work beginning at each intersection
- South end of Johnson Parkway:
 - Retaining wall construction beginning between I-94 and McLean Avenue

WHAT TO EXPECT

- Johnson Parkway is closed from 7th Street to Ames Avenue
 - Detour to White Bear Avenue is signed for this closure
 - Pedestrians to use the west sidewalk in this area
- Magnolia and Ames Avenues are closed - waiting for concrete pavement to cure before opening the intersections
- The project will start closing cross-streets from I-94 to 7th Street to construct new storm sewers and trail crossings
- Northbound Johnson Parkway is closed from Burns Avenue to 3rd Street
 - Detour directing traffic to Earl Street is signed for this closure
