Charles Avenue and Grotto Street
August 17-25, 2020**

Dear Saint Paul Resident:

The City of Saint Paul will be working with a contractor to excavate and reconstruct an existing sanitary manhole at the intersection of Charles Avenue and Grotto Street. This work is being done as part of the 2020 Citywide Sewer Work.

Beginning August 17, 2020, the City's contractor will close Charles Avenue at Grotto Street. Weather permitting, work will be completed, and the road reopened to traffic by August 25. *Please see the back of this letter for a detailed map.*

How this impacts you:

- Intersection of Charles Avenue and Grotto Street will be closed for approximately two weeks.
- No parking signs may be posted near the intersection. Please follow all posted signs.
- Access to driveways and sidewalks will be maintained.

What is the cost?

There is no assessment cost to property owners for the sewer project.

Project updates:

Sewer project updates will be posted online at www.stpaul.gov/construction.
