Cleveland Avenue Parking Bays  
Project Inspector Thomas Rooney • 651-775-3040

September 22, 2016

Dear Business Owner/Resident:

This letter is to notify you of the upcoming installation of two parking bays on Cleveland Avenue between Randolph and Palace Avenues.

One parking bay will be constructed along the east side of Cleveland Avenue, near Randolph Avenue. Another parking bay will be constructed on the west side of Cleveland Avenue, near Palace Avenue.

The general contractor for this project is Bituminous Roadways, Inc. (BR), 651-686-7001. At this time, we anticipate BR to begin work next week. We expect the project to last 4 weeks.

Should you have any questions or concerns during construction, your first point-of-contact should be **Project Inspector Thomas Rooney at 651-775-3040** (please note, city cell phones do not accept text messages). Thomas will be overseeing all of the work on this project and will be in daily communication with the contractor.

Important information:

- ✓ The typical work day is Monday through Friday from 7:00 a.m. to 6:00 p.m.
- ✓ Children are usually attracted by activity and heavy equipment. For safety reasons, **we ask your help in keeping children away from the construction area.**
- ✓ Project updates will be available online at <http://www.stpaul.gov/construction>.

Thank you,

Jesse Farrell, Project Engineer  
City of Saint Paul Department of Public Works  
Street Design and Construction
