**Sewer Work
Curfew Street and Franklin Avenue
September 14 - September 25, 2020**

Dear Saint Paul Resident:

The City of Saint Paul will be working with a contractor to repair the existing sanitary sewer at the intersection of Curfew Street and Franklin Avenue and in the mid-block of Curfew Street south of Franklin Avenue in front of 743 Curfew Street. This work is being done as part of the 2020 Citywide Sewer Work.

Beginning September 14, 2020, the City's contractor will close the intersection of Curfew Street and Franklin Avenue and Curfew Street south of Franklin Avenue to thru traffic. Weather permitting, work will be completed, and the intersection will be reopened to traffic by September 25, 2020. *Please see the back of this letter for a detailed map.*

How this impacts you:

- Curfew Street will be closed to thru traffic for approximately two weeks.
- Access to driveways may be limited for a short period of time.
- No parking signs may be posted. Please follow all posted signs.
- Limited access will be available through the businesses at the south end of Curfew Street. This access connects to Wabash Avenue and Eustis Street.

What is the cost?

There is no assessment cost to property owners for the sewer project.

Project updates:

Sewer project updates will be posted online at www.stpaul.gov/construction.

Questions:

For questions about the sewer work, contact Nathan Florek at Nathan.Florek@ci.stpaul.mn.us or (651) 266-5708.

Thank you for your patience and understanding as sewer work happens in your area.

Sincerely,

Aaron Hass, P.E.
