September 23, 2015

Dear Third Street Property Owner:

The **Third Street Paving Project** in your neighborhood will be completed this fall. As a result of the project, you will have a street that is smoother, safer, and better lit. In coordination with this project, Xcel Energy, Saint Paul Regional Water Services, and other utility services have been upgraded and improved.

A Public Hearing before the City Council for the approval of the assessments for the project has been scheduled for October 7, 2015. You will receive a separate mailing informing you of this meeting.

In addition to the City Council hearing, an "open house" meeting to answer questions about the assessment rates and construction project will be held on:

Thursday, October 1, 2015
6:00 p.m.
Dayton's Bluff Recreation Center
800 Conway Street

Public Works' Division of Street Design and Construction and the Office of Financial Services' Real Estate Section will have staff on hand to answer your questions.

If you have any construction related questions prior to the meeting, you may call me at 651-266-6112. If you have any billing or assessment questions, please call 651-266-8858.

Thank you,

Barb Mundahl
Project Engineer
