What is the Proposal?

Ramsey County is planning to resurface Edgerton Street between Maryland Avenue and Larpenteur Avenue in 2016. The resurfacing project allows us to consider other changes to the road at the same time.

The City of Saint Paul Bicycle Plan recommends bike lanes on Edgerton Street. Adding bike lanes to Edgerton Street during the street resurfacing is being considered. Adding bike lanes will impact on-street parking. The street resurfacing and bike lanes will not result in a cost to property owners.

Ramsey County and the City of Saint Paul are hosting a meeting to share information on the bike lanes and to take public input. The meeting is **Thursday, April 7, from 6:00 PM to 7:30 PM at the Arlington Hills Community Center.**

Changes to On-Street Parking

To add bike lanes, some on-street parking would be removed on Edgerton. Between Maryland Avenue and Wheelock Parkway, on-street parking would be removed on one side of the street, similar to the existing design of Edgerton between Wheelock Parkway and Larpenteur Avenue.
